

'We Win' Again Carolina Cry; UNC 83, Wake 79

Dick Hemric Tallies 35 As Deacs Lose In Game's Closing Minutes

Rosenbluth Bags 21, Lifson 20 and Vayda 19, Tar Heels Snapping Three-Game Losing Skein

By BERNIE WEISS

"We win," the joyous cry of victory, once again is being heard throughout the ranks of loyal Tar Heels.

The men of coach Frank McGuire last night snapped their three-game losing streak by edging a tough Deacon five at Wake Forest, 83-79, and strengthened their fourth-place position in the Atlantic Coast Conference. Formerly leaders of the ACC, the Tar Heels dropped after losing consecutive games to Duke, Virginia and Maryland.

But the Tar Heels got back in the winning groove against the powerful Deacons. They had the stuff against Maryland, according to McGuire, but couldn't hold their own.

It was a different story last night at Gore Gymnasium in Baptist Hollow. Carolina took an early lead and held it most of the way, though the Deacons, paced by their great center, Dickie Hemric, led by a few points on occasion.

Hemric proved a Tar Heel collapsing zone defense to be practically useless as he burned the mesh for 35 points. This leaves him only 96 points shy of the all-time high scoring record for modern basketball, and he has at least five more games to reach that goal.

Hemric, playing the entire game, not only was the No. 1 man in points, he also led everyone in rebounds, snagging 18.

Carolina's Lennie Rosenbluth was high man for the winners, bagging 21 points.

Al Lifson had 20 points, Jerry Vayda 19 and Tony Radovich 15. Behind Hemric's 10 field goals and 15 foul shots, little Ernie Wiggins tallied 18 for the Deacs.

The game was a nip-and-tuck affair most of the way. Wake Forest was leading by a point with less than three minutes to go, but a flurry of perfect foul throwing attempts by Vayda and Rosenbluth, plus a Paul Likins field goal at the final horn, wrecked Wake Forest. Carolina started off like a house afire. With Rosenbluth hitting from the corners, outside and under the basket, and Lifson dropping in his set shots with amazing accuracy, the Tar Heels quickly jumped to a 19-8 lead. During the first half the Tar Heels' collapsing zone on Hemric was decently effective and the potential All-American could only bucket 10 points, a crippling factor.

Young soon found the range, further boosting UNC, and the team continued to move along in snappy fashion. After the opening minutes, Wake Forest never came close during the first half and at intermission it was 38-30 Carolina.

Another significant factor in Wake Forest's poor first-half showing was the Deacs' failure to connect from the foul line. They missed many of their first shots on

the "one-and-one" call. The worm turned in the opening minutes of the second half, however. Hemric tapped in four points and Wiggins connected from the corner to pull the Deacons with two points, 38-36. Wake Forest was dominating the rebounds at this point.

But once again Carolina got the upper hand and extended the margin to six points. Then it slipped back to the slimmest of margins and that's how the game ran until Young fouled out with 10 minutes left. Here the guard on Hemric was weakened and the big Deacon began to pump in the points right and left, Wake Forest gaining a two-point lead, 62-60.

Radovich and Lifson put in two long set shots to alleviate the situation and from this point on it was still close, but the Tar Heels remained out front.

The Baptists tried a full-court press in the final two minutes, though it was fruitless. They committed too many fouls, which were capitalized on by the winners, and that was the game.

It was rough. Lifson and Jackie Murdock nearly squared off after a scrap under the boards but fortunately it got no worse than that.

ACC Outdoor half-mile champion Boyd Newnam is counting on a win in the same event when the Tar Heels move indoors for the Atlantic Coast Conference meet in Woollen gymnasium on February 26. He won the outdoor event in 1:55, his best performance of the spring.

New N. C. Tourney Tops Baseball Slate

The high spot of the 1955 Carolina baseball schedule will be the newly formed North Carolina Invitational Baseball Tournament to be held in Durham April 7, 8, and 9. In addition to the tourney, the Tar Heels will have a rough 23 game slate against tough conference and inter-sectional foes.

The tourney will be run along the same lines as the Dixie Classic in basketball. The host teams along with Carolina will be Wake Forest, State and Duke, Willard Casey, who is Business Manager of the Dixie Classic will serve in the same capacity for the baseball tournament.

Four outside teams have been invited to compete with the Big Four and these clubs stack up to be some of the nation's best. Among the visitors will be a strong Rollins College squad which went to the 1954 N.C.A.A. finals, before being nosed out by Missouri for the national championship. Notre Dame and the University of Ohio will represent the mid-west. These two clubs have always been baseball powers and pre-season predictions show they will be hard to beat once again during the '55 campaign. The Ivy League will have Yale as its representative to fill out the eight team slate.

The pairings have not yet been announced but each Big Four team will tangle with one of the visitors in the opening contest and the winners will then go on to battle for the championship. The Durham Athletic Park and Duke's baseball diamond will both be in use during the three day tourney. Each park will have a double header scheduled on the three consecutive dates. This will be the first attempt to hold such a baseball tournament in the Carolina area during mid-season. The Big Four hope to make it an annual affair and are very confident that it will be a big success.

Cochair Walter Rabb of the Tar Heel nine stated that he is also trying to schedule Notre Dame for April 11, which is an open date for Carolina. Other non-conference foes for the Tar Heels will be Ga. Tech, Rollins, Ohio State, Michigan State and Michigan.

Frosh Capture 7th Straight, Beat Deaclets

Carolina's Tar Babies took an early lead and steadily increased it to whip the Deaclets of Wake Forest, 86-66, last night at Wake Forest.

After leading at half-time, 45-32 Tommy Kearns got hot and helped the team extend the lead to 20 points where it remained throughout most of the second half.

Kearns led all scoring with 27 points. Bob Cunningham tallied 23 and Pete Brennan 20 for the Tar Babies.

It was their seventh straight win, giving them a 17-1 record thus far this season.

John Reed, scoring 18, and Swede Fraussen, scoring 13 paced the Deaclets.

Flashy Frosh Runners Seek Top Spot In Indoor Games

By RAY LINKER

Since track coaches Dale Ranson and Joe Hilton were able to win the freshman division of the Indoor Games last year on the strength of only three men, they should have no worries when meet time comes around on February 26, for this year's team lists many more outstanding stars.

Whereas Jim Beatty copped second place in the 1/4-mile run last year as the Tar Babies turned back 10 other teams, Richard Riggsbee, who was winner of the scholastic 1000-yard run last year, has moved from Hillsboro High to help the Carolinians nail down first in the three-quarter-mile run this year. Everett Whaley, two-time Georgia state high school mile champ, as well as Ben Williams from Chicago, will also be after the top spot for the freshmen in the 1/4-mile.

The winner of the only hurdle event—70-yard highs—in the scholastic division last year for George Washington High of Alexandria, Va., Gene Drury, will do his best to take over where Claude Rhule and Richard Waters left off in the 70-yard high and 70-yard low hurdles in the frosh group. It was Waters and Rhule in one-two fashion in the highs and Rhule and Waters in second and third in the lows. Drury will have some assistance from Bill Farrell.

Ronnie Austell and Jim Varnum give the Babies a fine one-two punch in the 60-yard dash where there was no one among the top finishers last season.

Austell and Drury will combine with Ray Montgomery, and Hubert Clemmer (with Ben Williams as alternate) to make a fine mile relay team for the UNC frosh, while Jim Caraway is the best Tar Baby high jumper.

Last year's team of Beatty, Rhule and Waters scored 16 points to the Maryland freshmen's 14, while Florida State University was gathering 13 1/2 and Duke 9 1/2 to round out the top four teams.

With three times as many men as last year's scorers, who are all

highly talented, another victory in the freshman division should be even more easier to capture than that of the previous Indoor Games.

Redskins Sue Canadians For "Enticing" Players

WASHINGTON, Feb. 16.—The Washington Redskins today sued Coach Jack-Henemer of the Calgary Canadian football club for \$50,000 damages on a complaint that he enticed two Washington players to jump their contracts.

Attorneys for the National Football League team said they planned to file a second suit tomorrow in an attempt to gain an injunction that would prohibit the two players from going to Calgary to play football.

Involved in the litigation are Dick (Little Mo) Modzelewski and Bob Morgan, both of whom formerly starred at tackle for the University of Maryland.

The suit was filed in nearby Prince Georges County, where Modzelewski and Morgan now reside.

Schoolboy Swimmers In Big Meet Here Saturday

More than 100 entries representing seven schools have been received for the Southern Inter-scholastic Swimming Championships to be held in the North Carolina Bowman Gray Pool Saturday.

"We are expecting even more entries before Saturday," Tar Heel swim coach Dick Jamerson, who is directing the all-day affair, said.

The championships will pit scholastic swimmers in two divisions—prep school and high school. Staunton Military Academy is defending champ in the prep school division, with Granby the high school title-holder. Both teams are slated to be back to defend their laurels.

Lou Jones Captures Women's Tennis Title

Lou Jones had little trouble in downing Marion Chalmers and claiming the Women's Intramural Tennis Championship yesterday afternoon. Miss Jones lost only one game in recording a 6-0, 6-1 victory.

The tourney was started in early October, but bad weather forced the finals to be postponed until yesterday.

Tonight, the Women's Swimming Meet will begin at 7:30. All dorms and sororities may enter teams in the nine events.

THE MAIL BAG

If the spirit should ever move you to write me a letter—and it's always a pleasure to hear from you—take pen and paper and address me c/o Philip Morris, 100 Park Ave., New York 17, N. Y. Or if you don't have any paper, snap open your Snap-Open pack of Philip Morris, remove the fine vintage cigarettes, turn the neat brown wrapper inside out and use it for stationery. The regular size Philip Morris pack is perfect for short notes. For longer letters use the king size pack. For chain letters and petitions, glue several packs together.

This week's column is devoted to a few of the many interesting letters that have been coming in:

SIR:

Maybe you can help me. I came up to college eight years ago. On my very first day I got into a bridge game at the Students Union. I am still in the same bridge game. I have never gone to a class, cracked a book, or paid any tuition. All I do is play bridge.

To explain my long absence and keep the money coming from home, I told a harmless little lie. I said I was in medical school. This made Dad (my father) very proud. It also enabled me to keep playing bridge. We were both terribly happy.

But all good things must come to an end. Mine ended last week when I was home for spring vacation. I arrived to find that Sister (my sister) was in the hospital with an ingrown spleen. Dr. Norbert Sigafos, the eminent ingrown spleen surgeon, was scheduled to operate, but unfortunately he was run over by a hot-food cart on the way to the scrubbing room.

"Oh, never mind," chuckled Dad (my father). "Harlow (me) will fix Sister (my sister)."

Well sir, what could I do? If I told the truth I would make a laughingstock out of Dad (my father) who had been bragging about me all over town. Also I would get yanked out of school which would be a dirty shame just when I am getting to understand the weak club bid.

There was nothing for it but to brazen it out. I got Sister (my sister) apart all right, but I must confess myself completely at a loss as to how to put her back together again. Can you suggest anything? They're getting pretty surly around here.

Harlow Protein

Dear Harlow, Indeed I do have a solution for you—the solution that has never failed me whenever things close in. Light up a Philip Morris! Knots untie as you puff that rich vintage tobacco. Shade becomes light as you taste that mild fragrant flavor... And as you watch the pure white smoke drift lazily upward, you will know that nothing is as bad as it seems, that it is always darkest before the dawn, and that the man worthwhile is the man who can smile!

SIR:

Do you think a girl should kiss a fellow on their first date?

Blanche Carbohydrate

Dear Blanche,

Not unless he is her escort.

SIR:

Here is a rather amusing coincidence that may amuse your readers.

Just off the campus where I go to school there is a lake called Lake Widgigan where students from time immemorial have gone fishing. Thirty years ago when my father was an undergraduate here he went fishing one day at Widgigan and dropped his Deke pin into the water. Though he dived for it for many weeks, he never recovered it.

Just yesterday—thirty years later, mind you—I went fishing at Widgigan. I caught a four pound bass. When I got the fish home and opened it up, what do you think I found inside of it? You guessed it! Two tickets to the Dempsey-Firpo fight.

Fleance Fat

Dear Fleance,

It certainly is a small world.

SIR:

This column is brought to you by the makers of PHILIP MORRIS Cigarettes, who suggest that if your mail has recently been blessed with some money from home, invest a little of it in the best smoke that money can buy... PHILIP MORRIS, of course.
