## Dulles Asks Backing For Mid-East Plan

WASHINGTON—(AP)—Secretary of State Dulles said yesterday the consequences would be "quite disastrous" if Congress should not go along with President Eisenhower's proposals for averting aggression in the Middle East.

Dulles made the statement during 4½ hours of testimony before the House Foreign Affairs Committee, as it opened hearings on Eisenhower's request for advance authority to use U. S. military forces if necessary to block Communist aggression.

"The consequences in the area of a refusal, of a prolonged delay or a sharp division," Dulles said, "would be quite disastrous."

The secretary said Congress can do its utmost "for peace and freedom" only by quickly approving Eisenhower's program for the Middle East.

### US Refuses Kadar Aid

WASHINGTON—(AP)—The United States promptly turned down yesterday a Hungarian Communist bid for economic aid to prop up the Russian-imposed government of Premier Janos Kadar.

"We will not assist the present regime in Hungary," the State Department said.

Deputy Under Secretary Robert Murphy made the American government's attitude clear to the Hungarian Communist Minister, Peter Kos, who is leaving Washington soon to take a post in the foreign office in Budapest.

The American answer came less than 24 hours after the Kadar government said it would "naturally accept" every kind of loan, even credits from capitalist countries, to bolster the revolt-shattered nation.

The State Department, in ruling out financial help to the puppet regime, stressed, however, it would continue backing private American relief agencies which are seeking to distribute food, clothing and medicine directly to the Hungarian people through the International Red Cross.

### King Visits Ike

WASHINGTON—(AP)—King Saud of Saudi Arabia, a monarch of fabulous background and wealth, will visit President Eisenhower late this month for a discussion of Middle East problems "of mutual interest to the two nations."

The White House announced this late yesterday and said King Saud will be a government guest from Jan. 30 through Feb. 1.

Presumably the main topic of conversation between king and president will be Eisenhower's proposed program for blocking any communist aggression in the Middle East.

In 1947, as crown prince of the oil rich Arab state, Saud spent several months in the United States at the invitation of President Truman. In a visit to Washington he discussed "petroleum and Palestine"—two subjects sure to come up again.

### Ike Messages Nehru

WASHINGTON—(AP)—President Eisenhower yesterday sent to India's Prime Minister Nehru a personal message dealing with the administration's new anti Communist program for the Middle East.

White House Press Secretary James Hagerly emphasized that the note was personal and said the content would not be made public.

Hagerly said the message was specifically related to the special message on the Middle East program which Eisenhower outlined to Congress last Saturday.

Eisenhower and Nehru conferred here last month on the Middle East situation and the international picture generally.

### Forces Advance

CAIRO—(AP)—U. N. Police force troops have resumed their advance across Sinai Peninsula behind withdrawing Israeli forces, the U. N. information center said yesterday.

The advance has been held up while U. N. authorities discussed details of Israel's withdrawal with Israeli army officers. Egypt has accused Israel of stalling.

The announcement indicated Israeli forces still occupy El Arish, Major Egyptian base in the Sinai desert. U. N. occupation of all the peninsula west of El Arish would leave 40 per cent of Sinai still in Israeli hands.

The announcement said Yugoslav units of the U. N. force were moving along the road toward El Arish. Other U. N. forces taking part in the advance are the combined Danish-Norwegian battalion and an Indian battalion.

## Di Inauguration Set Tonight, Poteat Speaks

Dr. William Hardman Poteat, UNC Associate Professor of Philosophy, has been scheduled to speak on the subject of bull fighting at the inauguration of the officers of The Dialectic Senate, which meets tonight at 8 on the top floor of New West.

The officers to be inaugurated are President, Stan Shaw; President Pro Tempore, Pat Adams; Critic, Dave Mundy; Clerk, Micky Partin; Treasurer, Gene White; head; Sergeant-at-Arms, Jim Holmes and Chaplain, Dan Vana.

President-Elect Stan Shaw will deliver an address on "The Role of the University and its Responsibilities to the State."

The guest speaker, Poteat, received an A.B., 1941 (Oberlin); B.D., 1944 (Yale); Ph.D., 1951 (Duke). Born in China, the lecturer was the son of a North Carolina medical missionary.

During the past months Poteat has been prominently mentioned as a successor to Chancellor House, who retires in June.

President-Elect Shaw has invited "the student body as a whole, the faculty and interested members of the University community."

### GM Will Give Lessons In Bridge Tomorrow

Bridge lessons for students will be resumed tomorrow in the Rendezvous Room from 4:30 to 6 p.m.

Instructor for the course will be Mrs. E. R. Wade, who also teaches the series at Victory Village Day Care Center. Instruction will be offered each Wednesday for a period of weeks.

Mrs. Wade hopes to have a large crowd for her new series of instruction and urges any student who is interested in learning the game to participate, she says.

### MURAL MEETING

There will be a meeting for Church and Outlaw basketball team representatives tonight at 7:30 in room 303-A of Woolfen Gym.

## Orientation, SEC Positions Now Open

The Orientation Committee and Student Entertainment Committee for next year will be set up within the next few weeks, Student Body President Bob Young announced yesterday.

Young said it was necessary to set up these committees now so that they could begin work immediately on plans for the fall.

The Orientation Committee will consist both of men and women students. Five to seven women and eight to 10 men students will comprise the committee, which will plan orientation for incoming freshmen and transfer students for the fall.

The Student Entertainment Committee will start meeting at the beginning of next semester to plan the entertainment it will bring to campus next year.

Chairmen for the committees have not been named. Young said, as he pointed out that the positions were still open.

## Counselors Sought For Orientation

A request has been made by this year's Orientation Chairman Bill McLean for counselors who will be needed for the spring semester orientation of new students.

A short program of orientation will be given the expected small group of entering students on Jan. 30 and 31. Exams end Jan. 29 and second semester begins on Feb. 1.

Students who were counselors this year or in past years are eligible, McLean said. Those eligible who plan to be here over the semester break and who are interested in being a counselor have been asked to leave name and telephone number at the Student Government Office in Graham Memorial. The phone number is 4352.

## Glee Club Will Give New Award

The UNC Men's Glee Club announced yesterday that a loving cup will be awarded annually to the "most outstanding member of the Glee Club."

Charles Shoe, business manager and spokesman for the club, released the details at yesterday's meeting, stating that certificates suitable for framing will also be presented annually to those members who have served creditably for four semesters.

The loving cup will be awarded to the member who "contributes the most towards attendance, loyal service to the club, participation in all functions sponsored by the Glee Club, and enthusiasm and advancement of choral music," Shoe said.

Glee Club members will vote by secret ballot at the end of the year to choose the recipient of the award, which is being sponsored by the Glee Club itself.

The certificates will be awarded under much the same conditions but with the prerequisite stipulation of completion of four semesters of Glee Club membership.

The awards will be inaugurated at the end of this year.

## Chicago Dean Visits UNC Campus Friday

Harold M. Metcalf, dean of students at the University of Chicago, will be on campus Friday to hold a meeting designed to give information about the University of Chicago's graduate program leading to M.E.A. and Ph. D. degrees.

Dr. Metcalf will answer questions concerning admission requirements, financial aid, placement services and programs of study.

## SP Head Raps Meet Showing

By JIM PURKS

After making several committee appointments, Student Party Chairman Jim Holmes delivered a sobering speech to the few members present Monday night during the party's first meeting of 1957, warning them of the coming spring elections and lamenting a tendency of poor attendance and participation in the party.

"Everybody in the party is expected to work," Holmes said. "This spring's election will be even harder to win than last spring," he warned. "But I have no doubt we can win," Holmes added.

Holmes expressed alarm at the attendance of the party, especially at the important Sunday meetings of the Advisory Board.

"Usually eight or nine people have been at the Advisory Board meetings. I think this is disgraceful. Eight or nine people out of a party of 104 can't do very much," Holmes said. "I would suggest that these legislators try to come to the meetings."

Later in the meeting the members continued a Student Party tradition of making awards to outgoing officers by presenting an award to ex-Chairman Tom Lambeth in appreciation for his service to the party.

Lambeth was given an attractive gavel by Joel Fleishman and Secretary Esther Ballentine presented an album to Lambeth containing articles taken from the Daily Tar Heel. The articles concerned the activities and progress of the Student Party during Lambeth's chairmanship.

Chairman Holmes announced that the party will hold a caucus on Thursday at 6:30 before the meeting of the legislature, and held a vote on the date on which the members will hold their first party of the year. The members voted on Monday, Feb. 4 as being the most convenient date for the party.

## Dr. Carmichael Addresses Church Group

Dean of Women Katherine Carmichael was the guest speaker Sunday night at the weekly meeting of the young people of the Congregational Christian Church.

Her topic was centered around religions of the world.

"In men of all nations, there exists the desire to worship," she stated. Among the slides that Dr. Carmichael showed were pictures of Buddhists and Hindu temples in the East, Christian churches in the same locality and ancient religious monuments in Cambodia, Arungabad, Luxor, Saalbek and Athens.

## Little Easing Of Housing Shortage Seen For UNC's Spring Semester

Dawn of a new semester on the academic horizons of the University will find the worst housing shortage in UNC's history only partially alleviated when February arrives.

A normal slight drop in enrollment for the spring semester is expected to sooth crowded conditions in 15 of the University's 19 men's dormitories.

Additional dormitory space made available by men moving to suitable off-campus residence and pledging in fraternities may relieve the undesirable three-men-per-room conditions in several dorms, according to Housing Director J. E. Wadsworth.

**WOMEN CROWDED, TOO**  
Living conditions in six women's dorms, with a capacity of 567, are equally critical as three months ago when every available facility was taken by the influx of 1,500 coeds. Total number of women accepted is always limited by the availability of dormitory space, in accordance with University policy.

## BVP President Apologizes For 'Dirty Laundry' Airing

### Cites IDC Statement As Proof Of Legality

Neil Bass, president of Battle-Vance-Pettigrew, answered yesterday Cortland Edward's accusations of incompetence and illegal procedure, and apologized to the student body "for this public airing of a little dirty laundry which should have been washed privately."

Bass called the chain of events a "tempest in a teapot," designed "admittedly to 'stir up and arouse' our dormitory." Because of this, said Bass, "I will apply the final word of our dormitory residents and the Interdormitory Council of officials."

A statement signed by Sonny Hallford, IDC president, was presented by Bass. Hallford, whose name was prefaced by "competent" in Bass' statement, said, "This is to certify that the elections through which Neil Bass became president of Battle-Vance-Pettigrew was completely legal with no shadows of illegality."

In addition to this Bass submitted a petition signed by "approximately 50 residents of BVP" declaring, "We are completely satisfied with the present administration of our president and issue him a vote of confidence."

The petition was posted on the dormitory bulletin board by Bill and Dave Wible in an effort "to clear this thing up."

Bass expressed hope "the student body will be subjected to no more of this somewhat unpleasant episode. But if Mr. Edwards, whose type of journalism we are all familiar with, chooses to pursue the matter further, let him argue with a cold-hard, official statement from the authority involved—the IDC—and a vote of confidence from the men in BVP," he said.

The statement concluded "I'll go along with them," (the IDC and dorm residents) "for I am pledged to their service. And I will put their opinion against that of any editorialist."

Edwards declined further comment saying "I refuse to argue about such a ridiculous situation with small minded politicians."

### Eating Establishments Will Hold 'Coffee Day'

Chapel Hill and Carrboro eating establishments will observe Coffee Day this Wednesday, when all money paid for coffee in their enteries will be turned over to the March of Dimes campaign. Jesse L. West, chairman of the observance, and E. Carrington Smith, drive chairman, encouraged everyone to "make a contribution toward this worthy cause."

### Application For Summer Jobs Available Now

Registration for summer placement is now open through the Placement Service, 204 Gardner Hall.

Every day the Placement Service receives information about opportunities in a variety of fields which will be available to students during the summer months.

These opportunities include shipping out to South America on a freighter, being a camp counselor in Maine, or, for science students, gaining experience in their field by working on a summer program with one of the large companies.

"Summer work proves to be an invaluable experience whether or not you choose a job that correlates with your future career. In addition to a monetary return, it gives you a preview into employer-employee relations, a chance to assume responsibility, and a background of dealing with people which will aid you considerably when the time does come to embark upon a career after graduation," according to the Placement Service.

Stella Anderson, a coed seriously injured in an automobile accident during Christmas vacation, continues to improve although her condition still remains critical according to Katherine Carmichael, dean of women.

Miss Anderson, a journalism major, lives in West Jefferson and staying in the Wilkes General Hospital, North Wilkesboro.

## UP Holds Exec Meet Tonight

An executive session of the University Party will discuss party policy, finances, publicity, and the fall platform at a meeting tonight in Roland Parker Lounge of Graham Memorial at 7:30 p.m.

The meeting is open to all party members. A full meeting is not being held because there is no pertinent business to come before the party since the legislature has not met recently.

Al Goldsmith, UP publicity chairman, urges all party members interested in publicity to attend this meeting. He will take up future plans for publicity at tonight's meeting.

The fall platform will be discussed in the light of action that has taken place on it.

Future plans of the UP include an address by Sam McGill at the Feb. 5 meeting of the party.

McGill, director of student activities, will speak on the "Administration Views On Student Problems Pertaining to the Campus." Among his topics will be athletics, prices and the parking problem.

"The UP hopes the students will take advantage of this opportunity. This meeting will be open to the entire campus. Mike Weinman, UP party chairman, urges students to attend.

"The meeting will be the first one of next semester on the Tuesday following exams."
