Best thing that has happened to the squad in this particular department is the return of Dick Goldstein, a gifted 6-0, 205-pound operative, who played freshman football here in 1953 and then dropped out of school.

Goldstein was a fine freshman football player but reportedly failed to make his adjustments. Now, as a returnee, he says he has "grown up" and has greatly impressed his coaches. John Smith Pocahontas

(OR) HOW TO KEEP YOUR HEAD WITHOUT HALF TRYING ...

RECOVER LET LET

ack near the turn of the century (17th, that is), Captain John Smith and some of his sidekicks were exploring ye Chickahominy when some of his troops started to sprout arrows.

Well, Smitty and his squad got in a few good licks, but the weeds were full of redskins and they were soon hauled in to see the Top Dog Indian ... Powhatan.

"Smith," thundered old full-of-feathers, "I'm tired of you puncturing my in-laws; we're going to do a disappearing act with your head!"

"Wild, man," said the good captain. "A little Rock 'n Roll, eh?"

about nine inches when in walked Princess Pocahontas . . . a nifty little number who'd been out scalping tickets to Cleveland baseball games, Pokey sized up the situation, and screamed (in perfect Iroquois) "Man, it looks like my ship came in . . . that beard! That outfit! That build! Oh.

"Pokey," said Dad, "How many times have I told you not to come messin" around here during initiation! We're playing to a full house, and now I have to refund all those beads." But he was pretty sweet on the kid, and laid aside the meat cleaver.

Well, Captain John was so happy about his reprieve he broke out a barrel of Budweiser . . . and popped for the tribe.

Wouldn't you?

Daddy-O spare that cat!"

MORAL: When you want to treat the tribe (or, better yet, do a solo with a squaw), make it Budweiser. . . the chief of beers!
