Appeal Issued For Counselors For Orientation

The shortage of applicants for the job of orientation counselor for next fall prompted the Counselor Selection Subcommittee yesterday to issue a new appeal for volunteers.

The statement, by Subcommittee Chairman Edwin Levy, stresses the responsibility and satisfaction which this job entails. The orientation counselors have the important function of acquainting the incoming freshmen with their new environment, and of instilling in them "a living enthusiasm for the University of North Carolina," he said.

All applications must be turned in at Graham Memorial or the YMCA before April 16, he said. The application blanks are available at the YMCA, Graham Memorial, the Monogram Club, Lenoir Hall, or the Library.

April 16, in 106 Carroll Hall, there will be a test given to all applicants on the material contained in the 1956 Counselor's manual. The manual may be obtained at the YMCA, Graham Memorial, or the Library.

Solons Pass Resolution Against Tuition Raise

By PRINGLE PIPKIN

A resolution "disfavoring any increase in tuition for non-resident undergraduate students at UNC" was one of the most significant pieces of legislation in addition to the budget, passed at the final session of the Student Legislature Tuesday night.

The resolution was introduced by Benny Thomas and Sonny Halford. Benny Thomas read the resolution. The "whereas" clauses argued that increased tuition would decrease the number of out-of-state students; UNC would benefit from the stimulation and contributions of the nonresident students and, "if the University must be decreased, a more selective means other than an increase in tuition should and must be employed."

The resolution was passed with the favor of the entire body except Bill McNaull.

The budget in detail is as follows: for the General Administration of the Student Government Executive Branch, \$3,465, requested and approved; executive secretary, \$1,300, requested and approved; the elections Board re-

quested \$350, but the finance committee recommended only \$300 which was approved.

The Orientation Committee requested \$1,218.50 and was granted \$1,439.50. Thomas sponsored the amendment. The extra money was awarded for new orientation counselor handbooks, a better activities day in Lenoir Hall and \$5 more for the coed dorm breakfast because the price of a doughnut has increased a third of a cent.

The National Student Assn. received its request of \$1,057. The Student Legislature was granted \$100 and the Women's residence Council received \$510.

Lenoir Workers Meet With Administration; Discuss Pay Situation

White Says Officials Think Workers Slighted

By H. JOOST POLAK

The Lenoir Hall grievances group met yesterday afternoon in Peabody Hall with a select group of administrative officials in an attempt to clarify the differences between the dining establishment's student workers and Lenoir Director George W. Prillaman.

Administrative representatives were Dr. W. D. Perry, Dean of the University's Division of Student Affairs, Sam Magill, Director of Student Activities, and Miss Edith Winslow, of the Student Aid Department.

Voicing the workers' views were Leo Mulvaney, William Brigman, and ex-Lenoir worker Caleb White. Actual coverage of the two and one half hour meeting was denied this paper, but despite no comments from all the concave's participants after its finish White later furnished the Tarheel with an approved version of the meeting's results.

According to White the meeting was closed due to fear that the presence of the press might cause the student participants to be hesitant in freely voicing their views. White's summation of grievances aired during the meeting: student workers at Lenoir feel that they are not compensated adequately for their labor; they feel that the administration of Lenoir Hall has been too arbitrary; and they feel that Lenoir director Philaman has been exerting pressure on them by simultaneously removing student workers and hiring paid non-student help.

The administrative representative present were said by White to have agreed that student workers in Lenoir are being maltreated and expressed a wish to raise the overall desirability of student self-help jobs.

One change which the administration seems to be seriously contemplating is a conversion of Lenoir compensation from the present non-transferable, non-continuous \$1.00 per day set up to the redeemable ticket book system now in use at North Carolina State College.

Miss Winslow, the Student Aid Office representative at the meeting stressed the fact that being fired from one student aid job does not, as seems to be commonly thought, necessarily "blackball" a student from ever receiving another similar position.

Magill, Perry, and Winslow also pointed out that they had not known of the dining hall's policy that work in Lenoir is of greater importance than academic phases of student activity. They further voiced the opinion that such a policy is in direct contradiction with the aims of the University.

Student Government Officers To Be Sworn In Today At 7:30

President-elect Sonny Evans and newly designated student government officers will be sworn into office at 7:30 tonight at the inaugural ceremonies for student government officers which will coincide with the last session of the 22nd and the first meeting of the 23rd Assemblies.

Luther Hodges Jr., Chairman of the Student Council, will administer the oath of office to the four top officials (President Evans, Vice President Furtado, Secretary Dot Pressly and Treasurer Bob Carter).

Vice President Furtado will assume his duties as speaker of the Assembly and his first act will be to swear in the legislature.

An inaugural address will be given by Sonny Evans in which he intends to "set the patterns for plans next year and in coming weeks."

The swearing-in ceremony and "organization" of the new assembly is scheduled to take place in the Phi Hall on the fourth floor of New East.

In a statement yesterday, Sonny Evans said that the ceremony will be open to all interested persons. He went on to urge that everyone interested attend tonight.

Evans went on to say that all legislative sessions are open to all students on campus as well as anyone interested in the functions of student government.

Montieth, Winner In Di Contest

James Montieth, a senior from Sylva, North Carolina, was winner of the 1957 Mangum award last night for his oratorical presentation before the Dialectic Senate, "On Canaan Land."

The Mangum award, which is one of the University's oldest awards, is also one of the most sought after oratorical prizes by graduating seniors. It is presented annually under the auspices of the Dialectic Senate and the Philanthropic Society.

In his winning speech, Montieth reviewed dramatically the life-span and final significance of graduation to a senior. He recognized the symbolic significance of his four years of college education wrapped up in a "stiff, word-filled piece of paper" and posed the question, "But is it enough?"

"We have learned," he replied, "through the painful experience of inexperience. We have lost much of the uncertainty and fear of early days and have found here the answers to many of our early questions."

"Here we have lost time, money and our foolhardy impetuosity," he concluded, "but here we have found ourselves."

Competing with Montieth for the highly coveted oratorical award was Cyrus Robert Harrington who spoke on "The Electoral College System" and Stan Shaw who spoke on "The Re-Evaluation."

Judges for the competition were Dr. James Godfrey, Dr. J. R. Caldwell and Mr. Charles Bernard.

Whitfield To Head SP; Brooks Vice-Chairman

The Student Party met last night to elect party officers for the remainder of the spring term.

The office of party chairman was won by Whit Whitfield over Gary Greer.

John Brooks was proclaimed vice-chairman by acclamation of the body.

Betty Carolyn Huffman was similarly elected to serve as party secretary, also, by acclamation.

The treasurer's position was won by Denton Lotz over ex-treasurer Tom Long.

Leon Holt and Chuck Marsh were elected to the posts of Sergeant at Arms and Filing Clerk respectively, both by acclamation of the body.

For positions on the Party Advisory Board, of which four were open, nominees were Brandon Kincaid, Jim Merritt, Caroline Brown, Caleb White, David Evans, and Phillip Gerdes. Final Winners were Kincaid, Brown, Evans, and White.

In a short speech welcoming the new officers and thanking the body for its kindness, outgoing party chairman Sonny Halford expressed confidence in the party's future, stating that he was sure the "party will move forward under its new leadership."

RAY EBERLE
... here for Germans

Eberle And Freshmen In Saturday Germans

Ray Eberle, one of the big names in American popular music and one of the all-time college favorites as the featured vocalist with the late, great Glenn Miller Orchestra, will appear with his "Serenade in Blue" Band here Saturday for the final celebration of the annual spring Germans.

Eberle will share the weekend spotlight at the concert and dance with the currently popular "Four Freshmen," who in addition to their well known vocal talents are widely acclaimed instrumentalists.

According to spokesmen for the Germans celebration this year, arrangements are being made whereby each of the two featured groups will present two alternating 30-minute programs at the concert in Memorial Hall and the dance to be held later at Woollen Gym.

On hand to complement the concert-dance program Saturday will be a relatively new artist in the popular music field in the person of Miss Paula George.

A newcomer to the entertainment world, Miss George has been favorably compared in voice and style to current favorite, sultry Julie London.

Eberle, with his "Serenade in Blue" Band plus the talents of Miss George, will bring to the Carolina campus Saturday a long list of successful appearances and engagements.

To his long list of successes in television, the movies and numerous singing dates, Eberle can add such all-time record hits as "Serenade in Blue," "At Last," "Elmer's Tune," "Moonlight, Cocktails," and two Glenn Miller Memorial (See GERMANS, Page 5)
