FOUR PAGES THIS ISSUE

## Weekend Plans Now Complete

Plans for the fall Germans concert and formal dance on Friday, have been announced by Mark Cherry of Mt. Olive, German Club president.

The concert will begin at 8:30 in Memorial Hall, and the dance will be held from 9 p. m. till midnight in Woollen Gymnasium.

Music will be furnished by Les Elgart and his 16-piece dance band. Highlight of very Germans dance is presentation of the German Club representatives and their dates in a figure.

Sponsoring for the club officers will be Miss Ginny Dawson of Snow Hill for President Cherry, who represents Phi Delta Theta fraternity; Miss Sister Maddox of Greensboro for Vice-President, John McKee of Morganton, Zeta Psi; Miss Lilia Scott of Shreveport, La., for Secretary, Thad S. Bostle of Forest City, Kappa Alpha; and Miss Sara Williamson of Darlington, S. C., for Treasurer A. Kelly Maness Jr. of Greensboro, Beta Theta Pi.

Twelve other sponsors have been announced: Joan Brooks of Greensboro for Sam Yancey of Marion, Alpha Tau Omega; Catherine Cline of Charlotte for John R. Crawford of Salisbury Sigma Nu; Suzzie Donald of Nassau, Bahamas, for Charlie Pittman of Columbia, S. C., Phi Delta Theta; Anita L. Edwards of Raleigh, for William H. Taylor of Aberdeen, St. Anthony Hall.

Linda Flynn of Salisbury, for Wallace Plyler of Salisbury, Kappa Alpha; Shan Heels of Monroe for George W. Wray Jr. of Charlotte, Kappa Sigma; Kay Musgrave of Lexington; Kay Timberlake of Lexington, Sigma Chi; Carolyn Meyers of Raleigh for Bob Stewart of Miami, Fla., Pi Kappa Alpha.

Ann Norton of Atlanta, Ga. for Chuck Nisbet of Charlotte, Beta Theta Pi; Stuart Pegram of Asheville for Smith Bradford of Asheville, Phi Gamma Delta; Anne Stevie Pincney of Richmond, Va., for Julian Tucker Baker Jr. of Raleigh, Zeta Psi; and Linda Lou Weaver of St. Louis, Mo. for Dave Fox of St. Louis, Sigma Alpha Epsilon.

## Nov. 21 Set For UN Trip

UNC will again go to the U. N. this year when the Y has its annual United Nations seminar trip to New York City.

The seminar will last from Nov. 21-23, and students will leave UNC in cars to go on the trip. The approximate cost for the trip, room and meals is \$30. Any interested student who wants to take his car on the trip has been urged to do so will be paid for most of the gas expenses.

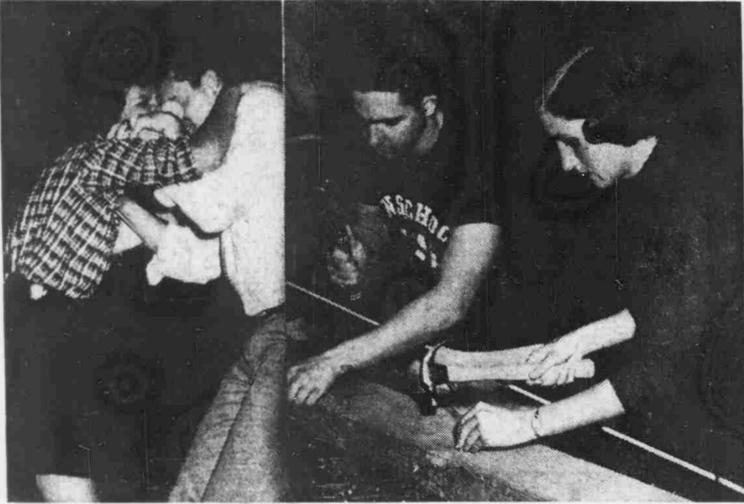

Purpose of the seminar, according to Jean Pierce Boisavitt, publicity chairman for the trip, is threefold: to get more information about the mechanics and procedure of the U. N., to visit the U. N. delegations see the U. N. in action and to discuss first-hand information about current international affairs.

The committee for the trip, headed by Ed Crow, plans to have prominent speakers talk to the seminar group, to have a tour around New York City on one of the afternoons and to have an orientation program Monday before the seminar for the people going on the trip.

## GM's Slate

The following activities are scheduled for Graham Memorial today:

Pan Hellenic, 5:50 p. m., Grail Room; Ways and Means Committee, 4:5 p. m., Grail Room; Symposium, 4:50 p. m., Roland Parker Lounge 1; Jehovah's Witnesses, 7:30-8:30 p. m., Roland Parker Lounge 1; Symposium, 4:50-5:30 p. m., Roland Parker Lounge 2; Petite Dramatique, 7:11 p. m., Roland Parker Lounge 3; Traffic Committee, 4:5 p. m., Woodhouse Conference Room.

LAST YEAR'S CARNIVAL—UNC students are shown above participating in activities during last year's Co-recreational Sports Carnival. The 11th annual event will be held November 14 in Woollen Gym.

SET NOVEMBER 14

## Carnival Plans Being Made

Preparations are being made for the eleventh annual Co-recreational Sports Carnival set for 6:45 p. m., November 14, in Woollen Gym.

Women's Athletic Association and Intramural Department representatives are combining their efforts for the event.

Entries for participation in the

carnival should be submitted to the Intramural or the WAA office by 3 p. m. Thursday.

The carnival program will offer numerous sports activities, carnival games and novel relays. Each team will consist of six men and six women. Participants will be paired by drawing from a hat by the Intra-

mural Department staff.

Trophies will be awarded to the individual winners. Plaques will go to the men's and women's groups compiling the most points.

Last year about 225 students participated in the carnival. The two athletic groups expect a larger turnout for this year's event.

## World In Brief

**RICHMOND, Va., Nov. 5.**—Democrat J. Lindsay Almond Jr. today won election as governor of Virginia under the Byrd organization banner of massive resistance to racial integration in the public schools.

**N. C. Flu Deaths**  
RALEIGH, Nov. 5. —The death of two persons in Chatham County of complications resulting from Asian flu was reported by the State Board of Health today. They were the first two deaths to be attributed to the current flu epidemic which continued to rage in the state unabated.

Dr. Fred Ford, head of the health board's Division of Epidemiology, reported that a completion of estimates made by county health officers gave a total of 145,732 cases of "influenza like" disease in the state last week.

## Fifth Amendment

WASHINGTON, Nov. 5. —A labor consultant and a teamsters union official invoked the Fifth Amendment more than 100 times today and refused to tell Senate rackets probes whether they made under-the-table deals to ease the labor troubles of Michigan businessmen.

The consultant, George Kamnow of Farmington, Mich., wouldn't say whether he lavished \$1,000 on union bosses in 1954 and 1955 and charged it to firms that hired his services. Reading from a slip of paper, the sweating witness invoked the Fifth Amendment 76 times.

Frank Kierdorf, business agent of teamster Local 332 in Flint, Mich., rolled up more than 40 Fifth Amendment pleas against possible self-incrimination in refusing to talk about his relations with Kamenow.

## U. S. Satellite

NEW YORK, Nov. 5. —The Mutual Broadcasting System said today it had been reliably informed that the United States would launch its first satellite next week.

The network, in a coast-to-coast radio broadcast, said its Philadelphia news bureau had been informed of the launching by a "leading scientist," described as an expert on insects.

## Moonwatch

WASHINGTON, Nov. 5. —More than 100 American moonwatch teams were alerted today to man their telescopes for a pre-dawn appearance of Sputnik II tomorrow.

The 1,120-pound Soviet satellite, carrying along a little dog called Laika on its orbit of the earth, may be visible during three swift passes overhead beginning at 5 a. m. EST.

The signal to begin optical tracking was sent out from the Smithsonian Astrophysical Observatory at Cambridge, Mass. At the same time the observatory predicted that Sputnik I, launched into space by the Russians Oct. 4, will make a fiery plunge to earth Dec. 11.

## Tougher Laws

WASHINGTON, Nov. 2 (AP)—Sen. McClellan (D-Ark) said today the Senate rackets investigation has shown a need for tougher laws to punish union busting tactics by employers and their agents.

McClellan heads the special Senate Committee now deep in an investigation of alleged anti-union deals between Nathan W. Shefferman of Chicago and a variety of employers.

The senator told newsmen the testimony has shown up anti-union practices that "certainly are to be seen WORLD BRIEFS Page 3"

## Show Begins November 15

The Ladies League for Democratic Action, an Okinawan version of a political pressure group, is part of the current production of the Carolina Playmakers' "Teahouse of the August Moon."

This current three-performance run will begin in Memorial Hall, Friday, November 15. Five girls from four different states head the cast.

Miss Barbara Battle, of Miami, Fla., is the staunch president of the Ladies League, whose efforts towards the democratic ideal center upon lipstick, perfume and bobby pins.

The last time Miss Battle was seen on the Playmakers stage, she appeared in another oriental role, that of the old Japanese woman of "Stranger in the Land".

The other members of the Ladies League are Edith Hinrichs, of New York, N. Y.; Ann Harvey, Sheffield, Ala.; Hope Spargar, Seaside, N. Y.; and Frances Bell, Danville, Va.

"Teahouse of the August Moon" will play November 15-17 in Memorial Hall. Tickets are available from the Business Office of the Carolina Playmakers, 214 Abernethy Hall, and Ledbetter-Pickard. All seats are reserved at \$1.50.

## Miss Herndon Is Yack Judge

Miss North Carolina of 1958, Miss Elaine Herndon, will be one of three to judge the 1958 Yackety Yack beauty contest to be held in Memorial Hall at 7:30 p. m. on Thursday, Nov. 21.

Each contestant will be introduced to the audience and the judges by master of ceremonies, Ty Boyd, of radio station WHCL. Music will be provided by the Bill Byers Quartet.

Lt. Harvey Humphrey, Supply Corps, United States Navy; and Lawrence Wofford, chief photographer for the Raleigh News and Observer, will help Miss Herndon in the judging. Wofford was on the panel of Judges for the Miss North Carolina Contest in 1955, and Humphrey has also judged similar events.

Because of the lack of entrants the final deadline has been extended to Wednesday, Nov. 13. Entry blanks may be secured in the Yack office in the basement of Graham Memorial.

Contestants must be present for a rehearsal Wednesday Nov. 20, at 7 p. m. Every coed is eligible except those who were on the 1957 Yackety Yack Court.

## GETS REGIONAL POST

Dr. James T. Proctor, assistant professor of psychiatry at the UNC Medical School, has been elected to a regional chairmanship in the American Association of Psychiatric Clinics for Children.

## SAUCERS, SPUTNIK, AND EGGS

## Carolians Report 'Strange Flying Objects'

By THE ASSOCIATED PRESS

"That great inverted bowl" that Omar Khayyam called the sky, has been filled to overflowing with strange objects, according to reports from areas that include not only the Western emptiness but also the Carolinas.

News that the U. S. Air Force plans to investigate reports of brilliant, hovering lights seen near government installations in New Mexico and other Western areas added credibility to sightings of similar objects in the Carolinas.

The objects were seen in the two-state area at various times, from last Wednesday night to early yesterday.

One of the early Carolinas reports included the coincidence of a stalling automobile. Such occurrences were mentioned prominently in stories from Texas.

Mrs. Barbara Jean Stoljes of Lumberton said she was driving with her husband and another cou-

# Housing Project Planned UP Talks Campaign Plans

## Symposium To Receive Donations

Campaign coordination and finances were main topics of business at last night's meeting of the University Party.

A total of \$65 was voted to be donated to the Carolina Symposium and to the Chapel Hill Empty Stocking Fund.

UP members voted to contribute \$50 to the Symposium and \$15 to the Empty Stocking Fund.

Speaking on behalf of contribution to the Symposium Al Goldsmith explained that the proposed Symposium budget for this year's program ranged between \$5,000-\$6,000. Goldsmith said that approximately \$2,400 had been raised so far.

Jerry Jones, UP vice-chairman and fall campaign coordinator, spoke to the group on general plans for the Nov. 12 election.

He said that campaign headquarters would be announced in the Daily Tar Heel within the next few days. Jones stated that the headquarters would be located in Graham Memorial and urged candidates to make use of the room. In speaking to the candidates Jones said he could not "stress too much getting out and meeting the people."

Candidates were reminded to turn in their expense accounts by 6 p. m. Monday to the Student Government offices.

UP Chairman Harry Braxton asked for suggestions from the party members for a party platform for the coming election. Braxton said he passed out paper for suggestions and received a "bunch of bull." They were just goofing off.

Braxton announced that the UP executive committee will draw up the party platform.

Under committee reports, Al Goldsmith spoke on legislative action. He said he felt the UP had "used their 29-21 majority well."

Speaking of past legislative action Goldsmith said that money had been appropriated to the Symposium, the Tarnation debt had been cleared up, and the controversial trash can issue had been defeated.

On Nov. 12 the polls will open from 9 a. m. until 6 p. m. As reported in Monday night's required candidates meeting, candidates will be responsible for seeing that none of their literature is within 50 feet of the polls when the polls are open.

## AUTHORITY SAYS 'YES'

## Could Objects Be 'Interplanetary'?

WASHINGTON, Nov. 5. — A brilliant mystery object was reported sighted today in southern skies by a Coast Guard cutter, even as Air Force specialists investigated a flurry of earlier, similar reports.

The nation's leading investigator of aerial phenomena immediately said that "it looks as though they (the objects) are interplanetary."

The Coast Guard Cutter Sebago, cruising in the Gulf of Mexico about 200 miles south of Louisiana, radioed that an object resembling "a brilliant planet with a high rate of speed" was seen for about three seconds at 5:21 a. m. (CST).

Coast Guard Headquarters in New Orleans said the message did not report exactly who on board the cutter had seen the object.

The Sebago's message said the object was tracked on the vessel's radar screen for 27 minutes and that, during that period, the object flitted on and off the screen several times.

Sightings of strange objects have been reported from widely scattered sections of the United States since Sunday, most of them near

## Dukathon Race Set Saturday

The Fourth Annual Dukathon, a foot race from the post office in Chapel Hill to the post office in Durham, sponsored by Delta Upsilon Fraternity, will be held on Saturday, Nov. 16 at 1:30 p. m. The crowning of a Dukathon Queen will again be an added attraction.

Any student with an "A" medical rating is eligible to enter the Dukathon.

Those interested in entering the race have been asked to call 9-1301 or send a post card to Jim Menzel, Dukathon Committee Chairman, Delta Upsilon House.

Each men's dorm and fraternity has been asked to send a representative to a meeting at the D. U. House on Nov. 12 at 8 p. m. At this time, details of the Dukathon will be explained.

Each girl's dorm and sorority has been asked to sponsor a candidate for Dukathon Queen.

All candidates for queen are urged to send a small snapshot for the election posters to Jim Menzel by Nov. 8.

The campus wide election for the Dukathon Queen will be held on Nov. 14. The crowning will take place on Nov. 16 just before the race begins.

secret military installations in the Southwest.

The Air Force said the radar network of the Air Defense Command is keeping watch—so far with no results—and that specially qualified investigators have been assigned to look into the reports.

For several years the Air Force has checked all reports of unidentified flying objects. Investigators work under the Air Defense Command at Colorado Springs, Colo., and report to the Air Technical Intelligence Center.

Judging from past findings, the chances are 50-1 the Air Force will offer a humdrum explanation for the current sightings.

During the first half of this year, the Air Force said, only 1.9 per cent of the 250 reported sightings of flying saucers and other fantastic aerial objects have wound up in the "unknown" category.

And the Air Force said firmly—though not all flying saucer buffs may agree—that it doesn't believe even the 1.9 per cent residue is made up of the things you read about in science fiction magazines.

Balloons, aircraft and such astronomical sights as meteors and bright stars account—at least to the Air Force's official satisfaction—for almost four-fifths of the sightings.

The director of a private organization set up to investigate flying saucers and such said he couldn't evaluate at this point the current rash of reported sightings.

But retired Marine Maj. Donald E. Keyhoe, director of the National Investigations Committee on Aerial Phenomena, added that the reported objects may be something from another planet.

## Attend Meeting

Five representatives of the UNC School of Education will be in Asheville Tuesday and Wednesday attending the annual meeting of the North Carolina Principals Association.

The five are, Guy B. Phillips and Carl Brown, professors of education; John Chase, assistant professor; Richard C. Wilson, graduate student; and William H. Wagoner, associate secretary of the N. C. School Boards Association.

## PROFESSORS TO MEET

Prof. Fritz Machup of Johns Hopkins University will address the UNC chapter of the American Association of University Professors today at 7:30 p. m. in the faculty lounge of the Morehead Building.

Branch said that construction of the three men's dormitories near Kenan Stadium and the addition to Spencer women's dorm is coming along on schedule.

The dorms and Spencer addition are expected to be finished by September 1958. The dorms are 38 per cent near completion, and the Spencer addition is 45 per cent completed.

"I've seen planes drop flares, the Northern lights, and the battle of Okinawa," Blackburn said. "But that thing knocks me for more of a loop than anything I've ever seen."

No one had a ready explanation for the sightings in the Carolinas. But one caller at the Columbia, S. C., Record identified himself as a former Texan and said there was no mystery about the lights seen out there.

"They're seen all over Texas but only at night," drawled the caller. "I've seen 'em up to 250 feet long.

"That, partner, was a Texas firefly."

## 26 Units Will Cost \$2 Million

By ANN FRYE

UNC administration officials yesterday announced plans for a major, \$2 million housing project for married students at the University.

Still incomplete plans call for construction of 26 two-story buildings—on a site just east of Victory Village—which will include 208 one and two-bedroom apartments.

UNC Business Manager J. A. Branch said each apartment will consist of a living room, kitchen, bathroom and one or two bedrooms.

Branch said the problem in connection with these apartments is to construct as many apartments as possible and make each roomy enough for comfortable living.

A report from the Housing office yesterday said about 200 married couples are on the waiting list for apartments.

In the construction of the new apartments, Branch said the University must comply with specifications as to square footing from the Federal Housing and Home Finance Agency (FHFA).

The University will sell revenue bonds to the IHFA to finance construction.

The University will rent, maintain and operate the apartments when they're completed.

The site for the proposed new apartment buildings was approved this fall by both the Faculty Buildings and Grounds Committee and the University Trustees Buildings Committee.

The revenue bonds will be paid over a 40-year period.

Branch would not speculate on when construction might get underway. Rent for the apartments has not been determined.

Branch said grading work is almost completed on the parking lot near Kenan Stadium, and curb and gutter work is now underway. He said gravel will be put on the lot as soon as the present work is far enough along.

Ackland Museum, on Columbia Street opposite the First Baptist Church, is 88 per cent near completion, according to the UNC business manager.

The Museum will be headquarters for the Art Department with facilities for studios and exhibition rooms.

Branch said that construction of the three men's dormitories near Kenan Stadium and the addition to Spencer women's dorm is coming along on schedule.

The dorms and Spencer addition are expected to be finished by September 1958. The dorms are 38 per cent near completion, and the Spencer addition is 45 per cent completed.

## IN THE INFIRMARY

Students in the infirmary yesterday included:

Misses Annie Cofield, Mary Alvs Voorhees, Margaret Evans, Robbie Martin, Sara Van Weik, Sarah Nicholson, Susan Donald, Elizabeth McCord, Virginia Carswell, Betty Dougherty, Sue Donisthorpe, and Mrs. Joan Wise.

Messrs. Ken Bemmer, Edward Graham, John Gibson, Charles Graham, George Boss, Thomas Holman, Charles Ross, Lawrence Bryson, James Summey, Oscar Anderson, George Schroeder, George Hodges, J. P. Timberlake, William Parker, Michael Nerbaum, Robert Pebbles, Yack Bessouky, Emil DeCantis, Jack Lineberger, John Owens, Wadie Mikhal, Bruce Berryhill, Rupert Eavis, Sellers Crist, Paul Walter, James Miller, Ralph Mason, Oren Manning, Russell Bostic, Gerald Kilpatrick, Jack Welsch, Hugh Toland.
