AR Reak! Instant Sport Shirts!

Yes, we've done it! The Instant Sport Shirt is a reality. With the new Van Heusen Vantage Sport Shirts, all you do is add water... and presto... a fresh, handsome sport shirt springs to life before your very eyes. And a sport shirt that's all cotton! Is it a miracle? Is it a powder? Is it a pill? A grind? Read on. You see, the new Van Heusen Vantage Sport Shirts work this way. First, you buy one (this is terribly important), then you wear it for a while. Then you remove it from your pampered body, drop it into the sink, and ADD WATER. In moments, a new sport shirt begins to appear, a sport shirt as fresh and new-looking as the one you bought in the store. Amazed, you remove it from the water, hang it up for a

bit, and it's ready to wear. Friends will ask, "How do you manage to afford a new shirt every day?" You will answer, "I was left a huge sum of money by an aunt in Texas." And we will not divulge your secret! The all cotton Van Heusen Vantage Sport Shirts that drip-dry so quickly (tumble-dry automatically, too) and wear so wonderfully are available in a wide range of checks, stripes and solids. All have sewn-in stays that can't get lost and keep your collar always neat. They cost a mere \$5.00. (It's time you wrote home, anyhow.) And remember, all you need do is ADD WATER. If you haven't any water, we'll send some FREE. Write Phillips-Van Heusen Corp., 417 Fifth Avenue, New York 16, N. Y.
