DISCOVER NEW READING DELIGHTS THIS WEEK

It's Old Book Week at The Intimate, and we hope you'll take an hour off to join us in one of the world's nicest occupations — browsing.

To tempt you in, there's a big table-full of odd-ball loot from North Carolina attractions, priced at teeny-weeny prices.

To lure you back where the old books abound, there are special prices on most shelves in the Old Book Corner.

Just to be democratic, we are breaking out a library of limited editions at prices to please the sort of customer who feels that bargains are vulgar.

We hope to please everyone from frugal scholar to finicky collector. Especially YOU. Come treasure-hunting this week.

Our thanks to the thousands of Carolina students who patronized us during our opening weeks. We are just as glad to be here as you are to have us here in Chapel Hill. Be assured that we will always continue to carry only the best in traditional Ivy League Clothing and accessories at prices so reasonable that you'll constantly be amazed.

Sorry girls, but we only carry male apparel. Of course if you want something really nice for someone special, well, the **HUB of Chapel Hill** is the store. You can come in and spend hours looking if you wish.

Remember our two convenient charge plans: 1. send bill to students or, 2. send bill to parents.
