SEE IBM!

If you're a Senior or Graduate Student, make this a productive holiday as well as a happy one. Take time to investigate career opportunities at IBM. You'll receive a warm welcome at any of nearly 200 branch offices. Just call the manager and ask for an appointment. He is expecting you. He will tell you what sort of company we are... what the people are like... what we do... how rapidly the data processing industry has been expanding. And he will tell you what we offer qualified college graduates in career training, job satisfactions, prestige, earnings, and opportunities for promotion.

We need men and women for a variety of careers in direct and indirect sales, applied science, business administration, programming, manufacturing, engineering research and product development. We want men and women with imagination, ambition, and unusual ability.

Please call me for the location of the office nearest your home:

Mr. M. E. Johnson, Branch Manager
International Business Machines Corporation
322 Hillsboro Street, Raleigh, N. C.
Telephone: Temple 4-6451

If circumstances prevent you from accepting this invitation, please ask me or your College Placement Officer for the date of the next IBM interview on campus.
