Bob Miller Wins

YDC Presidency

RALEIGH (AP)—George Miller of Durham, running with the backing of the Richardson Preyer wing of the party, was elected president of North Carolina's Young Democratic Clubs here Saturday.

Miller, a former UNC law student, topped Doran J. Berry of Fayetteville, backed by supporters of gubernatorial nominee Dan Moore, in the roll call at the YDC's annual convention.

A floor fight over the seating of certain county clubs preceded the election. The convention finally adopted the recommendation of its committee on the affiliation of clubs.

The committee rejected six clubs and approved 13 for certification. The issue was whether they had properly filed for affiliation with the State organization.

WORLD NEWS BRIEFS

Explosion Hits Miss. Mayor's Home

NATCHEZ, Miss. — (AP) — A jarring explosion shook the home of Mayor John Nossor Friday night and he blamed the bombing—third on property he owns in 11 days—on his role as a racial peacemaker.

There were no injuries. Damage to the two-story, columned

home was extensive.

Almost simultaneously, a loud blast 15 blocks away tore a hole in the driveway outside the home of Willie Washington, a Negro contractor whose house was bombed once before this summer.

Indonesian Peasants Urged To Taste Rats

JAKARTA, Indonesia—(AP)—Indonesian Communist party boss D. N. Aidit has urged Indonesian peasants to develop a taste for rats.

Antara, the official news agency, said yesterday that Aidit made the suggestion in addressing peasants on Bali.

Hordes of rats have plagued Bali farms as well as those on Java.

"If peasants start eating rats eagerly the rats will be wiped out and there will even be a shortage of rats," Aidit was quoted as saying.

He also told the peasants to make dried meat out of rats and send it to Jakarta.

Aidit recently was appointed commander of the crush-rats campaign by the Communist Peasants Organization.

Military Officers Hand Khahn Ultimatum

SAIGON, Viet Nam — (AP) — Young military officers handed Premier Nguyen Khanh an ultimatum yesterday demanding that some older generals be purged, a high government source reported. He said a new coup was possible.

There was unusual military activity in Saigon. Fifteen combat soldiers took up posts inside the

main post office and a 50-caliber machine gun and a rocket launcher were moved into position at the gate of the military air field. There were reports that Marines had converged on the suburb of Thu Duc and that defensive positions at the Vietnamese navy dock were strengthened.
