New Band Tactics

There's something new on tap with the UNC Marching Tar Heels this Saturday.

The band has expanded into a double company front entrance, due to the increase in size of this year's group.

This larger drill unit will employ a procession drill routine with progression movements.

According to a band representative, the Marching Tar Heels have been toiling in hopes of giving N. C. State's "Thundering Herd" "some tough competition" Saturday.

You can date for less in Lee Leens.

(With the authority of the Leen-look, you can convince her that going out... is out.)

Slide into a pair of Lee Leens. Take along your banjo. You'll have a captive audience when she sees you in those low-riding, hip-hugging Leens. (They really do something for your shoulders.) Those arrow-narrow legs give you dash she never suspected, and those git-along pockets show you're a stickler for detail. Great way to date; no pain in the wallet. But, you need the authority of Lee Leens to get away with it. Shown, Lee Leens in Lastic Stretch Denim, a blend of 75% cotton and 25% nylon. Sanforized. In Wheat, Faded Blue, Loden and Blue Denim. \$6.98. Other Leens from \$4.98 to \$6.98.

Parks anywhere

A Honda is a slim 24" at the widest point. This narrows down the hunt for a parking space considerably. You can slide into almost any shady spot. Like just outside of English Lit. Hondas fit into slim budgets too. Prices start about \$215*. Gas goes farther, up to 200 mpg on some models. And cutting your wheels in half does just about the same thing for insurance costs. Or more.

This is the sporty Super 90 with its distinguished T-bone frame. Tops 60 mph. Just one of the 15 Honda models that make other campus transportation strictly for the birds.

See the Honda representative on your campus or write: American Honda Motor Co., Inc., Department C1, 100 West Alondra Boulevard, Gardena, California 90247.
