

**Look!**

Nita Wilkinson, a junior arts major from Durham, will pace this year's edition of the Twirling Tar Heels as head majorette.

Carolina's majorette will be backed by a 100-plus member band, one of the biggest in years, bringing scenes like the one at left and the one below to thousands of gridiron fans.

Precision marching and a variety of music will highlight the halftimes of the home games.

**HEAVE HO!**

The greatest reported distance for throwing a standard size building brick is 135 feet 7 inches by James Cantrell at Stroud, Oklahoma on July 17, 1965.

**Band Bigger, Better**

The 1966 edition of the Marching Tarheels—UNC's band—will lend their support to the football team this fall with over 100 playing members.

It will be the largest—and hopefully the best—band that Carolina has had in many years.

Major John Yesulaitis directs the band, and he is assisted by Henry Schmidt and Earl Henry, Jr.

The senior drum major this year is Tom Conway of Henderson, and the junior drum major is Frazier Glenn from Dalton, Ga., with Nita Wilkinson as head majorette.

The band initiated an active recruiting campaign during the summer with more than 2,800 letters being mailed to entering freshmen and transfers. The campaign paid off well and many newcomers will be marching this fall.

The Marching Tarheels perform for all home games in Kenan Stadium and take at least one road trip annually.

Membership in the Marching Tarheels is open to anyone expressing interest and demonstrating musical ability in an audition.

The band's headquarters is 109 Hill Hall—where more information on the band program may be obtained.

**39 Free Flicks Spot Fall Season**

Carolina's famed "Free Flicks" return to Carroll Hall Friday night with two showings of "Lover Come Back."

The Flicks, which have developed into yet another campus tradition, are shown on Friday and Saturday night at 7 and 9:30. In addition, the Graham Memorial Film Committee has scheduled eight Sunday Cinemas for the Fall Semester.

The 39 films for the first semester and the dates they will be shown in Carroll, are: "Lover Come Back," Sept. 16; "Sweet Bird of Youth," Sept. 17; "It Happened One Night," Sunday, Sept. 18; "Showboat," Sept. 23; "Two Women," Sept. 24; "Seven Days in May," Sept. 30. "Some Came Running," Oct.

1; "The Wild One," Oct. 7; "Cover Girl," Oct. 8; "Nights of Cabiria," Sunday, Oct. 9; "Murder at the Gallop," Oct. 14; "Grand Hotel," Oct. 15; "Yellow Rolls Royce," Oct. 21; "Summer and Smoke," Oct. 22; "Triumph of the Will," Sunday, Oct. 23; "Friendly Persuasion," Oct. 28; "Phantom of the Opera," Oct. 29. "Night of the Iguana," Nov. 4; "Saturday Night and Sunday Morning," Nov. 5; "Throne of Blood," Sunday, Nov. 6; "Raintree Country," Nov. 11; "Citizen Kane," Nov. 12; "Becket," Nov. 18; "The Innocents," Nov. 19; "Destry Rides Again," Sunday, Nov. 20. "To Kill a Mockingbird," Dec. 2; "A Ravishing Idiot," Dec. 10; "Green Pastures," Sunday, Dec. 11; "Ichabod and Mr. Toad," and "Cartoon Parade," Dec. 16. "Sons and Lovers," Jan. 6; "This Sporting Life," Jan. 7; "A Summer to Remember," Sunday, Jan. 8; "Stalag 17," Jan. 13; "Amorous Adventures of Moll Flanders," Jan. 114; "State of the Union," Jan. 20; "Guns of Navarone," Jan. 21; "Nothing Sacred," Sunday, Jan. 22.

...The average graduate of Evelyn Wood

**READING DYNAMICS READS 4.7 TIMES FASTER THAN HIS BEGINNING SPEED WITH EQUAL or BETTER COMPREHENSION**

**HOW IS THIS POSSIBLE?**  
Eighteen years ago Evelyn Wood, a Utah school teacher, made a startling discovery that led to the founding of Reading Dynamics. While working toward a master's degree, she handed a term paper to a professor and watched him read the 39 pages at 6,000 words per minute—with outstanding recall and comprehension. Determined to find the secret behind such rapid reading, she spent the next two years tracking down 50 people who could read faster than 1,500 words per minute. She studied their techniques, taught herself to read at these faster rates. Now, after years of experience in public schools and universities, she has made it possible for you to benefit from this great discovery.

**Is It Simply A Promotion Stunt?**  
Over the past eleven years more than 160,000 graduates have been convinced that Reading Dynamics is a proven method. About Reading Dynamics' impact on our nation's legislators, Time Magazine said "Washington has seen nothing like it since the days when Teddy Roosevelt read three books a day and ran the country at the same time."  
Conventional rapid reading courses aspire to 450-600 words per minute. Most Reading Dynamics graduates can read between 1,000 and 3,000 words per minute, and many go even higher.

**Money-Back Guarantee**  
We guarantee to increase the reading efficiency of each student AT LEAST 3 times with good comprehension. We will refund the entire tuition to any student who, after completing minimum class and study requirements, does not at least triple his reading efficiency as measured by our beginning and ending tests.

**SEE FOR YOURSELF, ATTEND . . . . . A Free Demonstration At 4 or 8 p.m.**

<b>RALEIGH</b> at the YMCA Hillsboro St. Mon., Sept. 12 Tues., Sept. 13	<b>CHAPEL HILL</b> at the Carolina Inn Mon., Sept. 19 Tues., Sept. 20	<b>DURHAM</b> at the High School on Duke St. Mon., Sept. 26 Tues., Sept. 27
---	---	--

**AT THE DEMONSTRATION**

- You will see a Reading Dynamics graduate read at amazing speed from a book he has never seen before and then tell in detail what he has read.
- You will see a documented film that includes actual interviews with Washington Congressmen who have taken the course.
- You will hear illustrated talks on the theory behind Reading Dynamics and the growing importance of reading.
- You will learn how we can help you to faster reading, improved comprehension, greater recall.

Sessions Will Meet Once a Week for 10 Weeks  
Afternoon Classes 4 to 6:30—Night Classes 7:30 to 10

<b>FALL COURSES</b>	<b>Begin</b>	<b>End</b>
IN RALEIGH	TUES. Sept. 20	TUES. Nov. 22
IN CHAPEL HILL	MON. Sept. 26	MON. Nov. 28
IN DURHAM	THURS. Sept. 29	THURS. Dec. 8

New enrollments strictly limited to 30 per class. Accepted in order of application.
