Harriers Defeat Duke

By DRUMMOND BELL DTH Sports Writer

Carolina's cross country team continued their winning ways yesterday as they defeated arch rival Duke 20-43 on the Blue Devil's four and a quarter mile course.

Duke's Ed Stenberg set a record setting pace from the start and led all the way in breaking his own course rec-

Carolina's depth showed its strength as junior Fred Mc-Call and sophomore Wayne Franklin barely lost to Dukes' highly touted Bill Weldon and Paul Rogers who finished ninth and tenth respectively.

Before the meet many thought that junior Mike Williams would give Stenberg a run for the record, but the hills on the Duke course seemed to bother Williams as he and his teammates have run all their previous meets on flat and shorter layouts. However, nothing can be

Tar Heel Booters Blast Abbey, 6-0

By BOB CURRIE Special to the DTH

The Crusaders of Belmont Abbey fell victim to an offensive machine that produced its biggest point total of the season Thursday as the Tar Heel booters scored a 6-0 shutout over their guests.

Carolina, now 4-2 for the season, came up with a single marker in each of the first three periods and then exploded with three more in the final quarter.

Thursday's game was the third time in the 1966 season that the Tar Heel booters have held their opponent score-

Carolina drew first blood in the initial period when inside right Larry Heath booted in an assist from left wing John Loud after only 4:30 had elapsed in the game.

After Heath's goal the Tar Heels settled down but still dominated the game on both offense and defense. The second quarter was a

carbon copy of the first as Heath scored again by heading in a cross - kick by Jack-ie Writer. The score came with only 45 seconds of the second period gone.

North Carolina dominated the first - half play to the extent that Belmont Abbey could manage only three shots

at the goal. Two were close enough for goalie Bobby Johnson to make the save.

Troy's Stereo new KLH Model 21 FM receiver fills any room with beautiful high-fidelity sound . . . yet the entire unit measures only 12" by 6 1/8" by 6 3/4". The Secret lies in the pioneering work done by KLH in the development of small speaker systems: the Model 21 contains the same revolutionary speaker as the famous Model 11 portable (the Volkswagen of the hi-fi world) In addition, all of the 21's electronics are solid-state, eliminating heat-not to mention any tube changes ever! Troy's Stereo guarantees the Model 21 for two whole years, parts and labor, so there's nothing for you to worry about. You can devote your full attention to the matter at hand . . . once she gets over her amazement, of course.
