## Harriers Grab State Cross Country Title

By DRUMMOND BELL  
DTH Sports Writer

RALEIGH — Coach Hilton's cross country team added another trophy to the overflowing display case yesterday as his squad ran off with their ninth State championship at Raleigh on the North Carolina State four-mile course.

### DUKE'S STENBERG SETS RECORD

Ed Stenberg of Duke continued his rewriting of the recordbook as he covered the distance in 20:08.9 to shatter Maryland's Dave Starnes course record by twenty seconds. However, Stenberg's outstanding performance

wasn't enough to stop the Tar Heels.

Junior Mike Williams ran with the Blue Devil for three miles, but couldn't sustain the record setting pace as he placed third by a foot to East Carolina's Don Jayree, who led his teammates to an upset second place finish over Duke and Wake Forest.

Carolina's Truitt Goodwin, who led for the first mile, ran another fine race for a sophomore and placed fourth ahead of Duke's highly touted Paul Rogers, the freshman State champion two years ago.

### CAROLINA'S DEPTH WINS MEET

The thinclad depth proved to be the decisive factor as it has been for most of the season. Co-captain Trip MacPherson ran his best race of the year to capture ninth place behind Wake Forest's Al Viehman and John Hodsdon.

Hilton's group continued to finish together as MacPherson was followed by Junior Bill Bassett and sophomore Steve Williams, who placed tenth and eleventh respectively.

Sophomore Jim Hotelling, who has not been running up to his potential, finished fifteenth to give the harriers six places out of the top fifteen.

### FROSH WIN

The freshmen won their sixth team championship as Robert Frederick won in 12:52 and Kenny Helms placed third behind Davidson's John Puckett.

After their decisive victory in the State championship, Hilton and his team begin preparation for the ACC championship next Monday at the University of South Carolina.

Again, the Tar Heels will have to beat the Maryland Terrapins, who gave Carolina their only dual meet loss of the year.

## Tar Heel Booters Lambast ECC Pirates In 12-0 Rout

North Carolina's steadily improving soccer team produced its biggest point total of the season here Monday as it rolled to a 12-0 win over the Pirates of East Carolina.

The Tar Heels scored six big goals in the first period and then rang-up four more before the half to completely dominate the match.

UNC is now 5-2 for the season while yesterday's game was the last one this year for the Pirates. This was the first year for East Carolina on the soccer field and the Pirates finished with a 2-6 mark.

Left wing John Loud accounted for three of the Tar Heel scores, two of which came during the first-quarter explosion. Right wing James Canfield and inside left Bronson Van Wyck hit for two goals each in the big win. Loud now leads the Tar Heel scoring for the season with eight points.

Larry Heath scored the first Carolina goal on a cross from Loud after only 5:45 had elapsed.

Loud bombed in his first of the day just seconds later on a cross from center forward Jimmy Johnston as the Tar Heel offensive machine began to gather momentum.

Left halfback Danny Galves added the third Carolina tally before Loud slipped another past the Pirate goalie.

Canfield scored for UNC with three minutes left and then slipped another marker in before the quarter ended.

Coach Marvin Allen began clearing the bench in the second period and the reserves still managed to score four points.

Inside left Jackie Writer hit the first point of the period before Van Wyck blasted in two straight to push the Carolina lead to 9-0.

Sophomore inside right Landy Anderton put UNC into double figures when he scored on a cross from inside left Wil-

lem Polak just before the half ended.

The Tar Heel starting squad played the third period but pushed only a single marker past the Pirates. Loud scored his third of the day with an assist from Polak.

The final UNC goal came with five minutes remaining on a penalty kick by co-captain

Bob Johnson. Johnson, normally the Tar Heel goalie, was playing on the wing during part of yesterday's action.

## Under-equipped?

Not at all. The average foreign car requires very little in the way of tools to keep it in top fighting trim. Periodically, of course, we do get some unusual cases, but we manage to take them in stride. The little buggy pictured above, for instance, belongs to an eccentric Scot who claimed he lost ha' penny in the gear box. Believe it or not, we could make change.
