Tar Heels Didn't Have Key Play To Beat USC

By RON SHINN Special To The Daily Tar Heel

COLUMBIA, S.C. - North Carolina Coach Bill Dooley walked briskly across the floor of Carolina Stadium here Saturday towards the Tar Heel dressing room, paus-ing only to shake hands with a winning coach.

"Hurry back next year. . . Don't forget to tell Duke what we did to you . . . We'll get your brother Vince in a few weeks," were the shouts as he walked beneath the University of South Carolina student section, filled with happy Gamecocks who had just watched their team beat North Carolina, 16-10, for the first time since 1960.

But if the barbs were heard Bill Dooley didn't show any emotion. He just held his head high and continued walking. There was a long and silent

wait while a misplaced dressing room key was located. Then Dooley, along with his twice-beaten Tar Heels, disappeared through the unlocked

A few minutes later Dooley emerged to face the prying and sometimes painful questions of reporters, painful particularly for a loser.

"South Carolina certainly deserves a lot of credit. They kept coming right at us all night. Their passing loosened up our defense, then they took Warren Muir and started ramming the ball at us," Dooley said.

Muir, South Carolina's hardrunning sophomore fullback who accounted for 164 yards in a record tying 35 carries, scored on a four-yard plunge early in the second half which put North Carolina behind, 9-7. The Tar Heels never regained the lead.

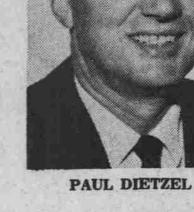

"Muir was an outstanding runner tonight. . . very outstanding," Dooley said.

South Carolina quarterback Mike Fair completed 11 of 21 passes for 155 yards.

"Fair also deserves a lot of credit," Dooley said. "His passing kept our defense loose

all night and he used Muir well to control the ball." Dooley called his team's inability to come up with the big play a deciding factor in its first two games.

"We had several good opportunities we simply didn't cash in on," he said. "We can move the ball real well but again we couldn't come up with the big play when we needed it. This is certainly a tribute to South Carolina because they did a fine job of stopping us when they had to and they made the big play

when it was needed." The coach praised his team's overall effort, just as he had after last week's opening game loss to N.C. State.

"The boys gave a fine effort but I will have to do a better job this week of instillin them the importance of being able to come up with the big play. We made a lot of mistakes, but they were aggressive mistakes.

"Sure, it's discouraging for a young team like ours to lose two close games in a row. But I believe our team is the type which can battle back to high

water next week." Across the stadium Pepsodent Paul Dietzel was living any one of his players. up to his nickname with a smile as wide as any on toothpaste commercial.

North Carolina State, which topped Buffalo 24-6, and Wake Forest have unenviable tasks this week. The Wolfpack, which has failed to move the football well in winning its first two games will meet Alabama Saturday. Virginia opened their campaign with Army and lost 26-6 as expected, and now they face Buffalo at Scott Stadium in Charlottesville The Bulls lost to North Carolina State but they beat themselves more than did the Wolfpack. The Bulls gained almost 400 yards, in total offense against what is supposed to be one of State's great defensive teams. This means that the Cavaliers will have to get further standout performances out of Quarterback Gene Arnette and halfback Frank Quayle, both of whom showed well against the Cadets.

Maryland will finally open their season against Oklahoma at Norman, Okla. on Saturday.

Coming Next Is Tulane, A Team Out For Murder

North Carolina's Tar Heels play their first game of the new season in Kenan Stadium Saturday against a Tulane team that has murder on its

The Green Wave of Coach Tom Pittman, highly-rated in pre-season polls, lost their seasonal opener last Saturday to a tough Miami of Ohio team, 14-3. It was one of the country's major shockers.

Tulane turned out to be one of the surprise teams in Dixie last season, toppling mighty Miami. And when the ratings came out this fall, Tulane was picked as one of the leading teams in the south.

Coach Bill Dooley of the Tar Heels believes the Greenies will turn out to be very strong. "We feel that Tulane will be one of the toughest teams on our schedule," Doo-ley said. "They have fine personnel and an outstanding

coach in Jim Pittman."

Dooley should know. He played guard on the Mississippi State team in 1955 when Pittman was the line coach. "We've been great friends for a long time," Dooley says. "I can tell you this. Jim Pittman will field a team that is

ready to hit." Carolina will be trying to bounce back from successive losses at the hands of North Carolina State, 13-7, and South Carolina, 16-10. Dooley praised the effort of his thin squad in both of those games, but said that it must be bet-

"The coaching staff and the players must re-dedicate ourselves," Dooley says. "We've got to go back out there and work harder."

Carolina will be facing one of the country's finest quarterbacks Saturday in Bobby Duhon. The slick Green Wave signal-caller averaged five yards a carry for Tulane last year. That's an amazing figure when you consider that quarterbacks get thrown for losses trying to pass.

Fullback Tommy Dempsey, fine junior performer from Clinton has made both of the Carolina touchdowns so far. Don Hartig, the kicking specialist from Greensboro, has all the other points-five-on a field goal and two extra

Junior Halfback Suffers Injury Against Gamecocks

By LARRY KEITH of The Daily Tar Heel Staff

Wingback Dick Wesolowski, the Tar Heels' second leading rusher last year, injured his left wrist against South Carolina Saturday night and will not be back until late in the season if at all.

The 6-0, 203-pound junior from Hamilton, Ont., received three broken bones in his wrist on the Tar Heels' first offensive play of the game. He was operated on at Memorial Hospital Sunday morning and released. Replacing Wesolowski in the

lineup after the injury was James Miggs, a 5-9, 180 pound junior from Honolulu, Hawaii. Miggs does not have a football scholarship.

"Losing Wesolowski is a real blow to our team," said coach Bill Dooley.

Before the season started Dooley called Wesolowski "a real strong runner and block-er who needs only to be a little quicker."

As a sophomore Wesolowski carried the ball 67 times and netted 299 yards for a 3.3 average. He caught four pass-

es for 22 more yards. In the Tar Heels' first game, a 13-7 loss to N. C. State, Wesolowski was used exclusively as a blocker.
