Hitchcock Fired By Atlanta Braves

ATLANTA (UPI) — The floundering Atlanta Braves fired manager Billy Hitchcock Friday with only three games left in the 1967 season and vice president Paul Richards indicated he might take the job himself next year.

Bulpen Coach Ken Silvestri will manage the seventh-place Braves in their final three games against the pennant-winning St. Louis Cardinals.

Richards, who announced Hitchcock's contract was not being renewed, was asked if he might take the job. He has

been asked this many times in the past, and has always said he would never return to field managing.

But Friday Richards said "not this season, but I wouldn't rule it out for the future." He confirmed that by "this season" he meant the 1967 season, and added that "we might drop a bombshell on you."

Hitchcock's departure came as no surprise, but he was not immediately available for comment on the move.

Earey Makes Some Changes

Swimmers To Have New Look This Year

By JOE SANDERS
of The Daily Tar Heel Staff

It will be a year of innovation for the UNC swimming team. Coach Pat Earey revealed schedule and training changes at the team's first meeting Thursday night.

The schedule changes make the 1967-68 season good for the home fans. All second semester meets will be held at the Bowman Gray Pool at Woollen Gym. These will include contests against Michigan State, Florida, Florida State, and N.C. State.

PAT EAREY

The climax of the ACC season, the ACC Swimming Championships, will be held at Carolina Feb. 29, March 1 and 2.

The Dolphins, who placed ninth in the nation and had six swimmers in the All-American rankings last year, appear stronger for the new season.

It was that ninth-place finish at the NCAA championships last year that brought about another of Earey's innovations in training.

"We will try to reach our peak for the championship meets at the end of the year," Earey said.

The team will continue hard training throughout the dual-meets, resting for none of them, and build to top strength for the ACC and NCAA championships.

When this training strategy was partially employed last year, it resulted in the Dolphins defeating all three teams at the national championships that had defeated UNC during their 9-3 dual meet season.

This year Earey hopes to

though the NCAA allows athletes only three, not four, years for varsity competition.

In order for the UNC swimmers to be eligible to compete in the NCAA Championships their senior year, they must compete on a freshman team even though the rest of the conference is following the new rule.

"We have decided not to go along with the conference in using the freshmen in varsity competition," Earey said. "We will employ the training strategy more fully with hope of even more dramatic results at the end of the season."

"We're going to aim only for those championship meets — maybe even only one of them — and let the dual meet season take care of itself," he said.

The dual meet season will be made even harder for the Dolphins with Earey's plan for the freshman team. Last spring the Conference made freshman athletes eligible for varsity competition even

Notably absent from the schedule was a trip to the Eastern USA Championships in which UNC placed second last year.

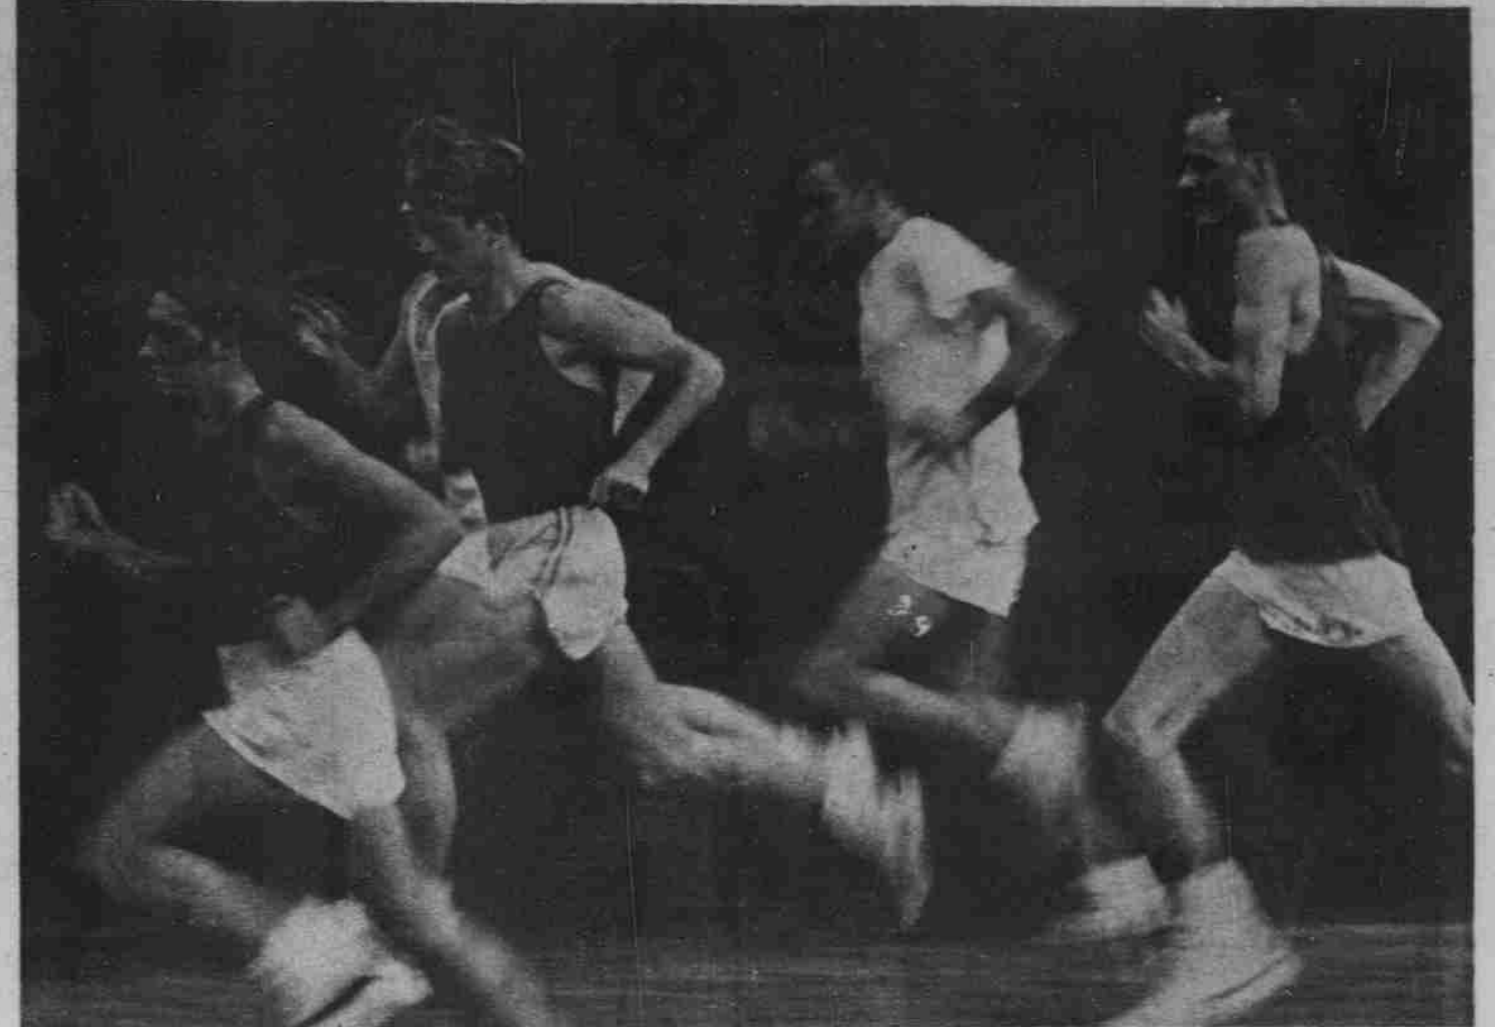

"Since the ACC meet has been moved up a week later, we're thinking of eliminating this trip altogether in order to be better prepared for the NCAA championships," Earey said.

Practice will begin on October 9 for the swimmers and won't end until April 6.

Practice will begin on October 9 for the winners and won't end until April 6.

Crackers, Cadets Clash

By ISAH T. PROFITT
of The Daily Tar Heel Staff

BISCO — Vanilla Wafer University, still reeling from its stunning 28-27 loss to lowly Frostburg State last week, takes on traditional rival Widow's Peak in its home opener here today.

The Crackers have won three straight games in this series dating way back to 1893. Last year's score was 31-15.

Coach Rocky Redgrave will go with the same starting line up he used against Frostburg.

"I thought about making some changes," he said yesterday, "but I decided not to. Shoot, these fellows did the job last year when we were unbeaten. I'll give them one more chance."

Widow's Peak opened with an easy 21-0 victory over East Westchester last week.

It will be throwing a strong single wing offense at Vanilla Wafer, led by tailback Spud Flavor, a senior who gained 127 yards against the Rebels. The line is bolstered by guard Lucius Lombardi, the grandson of Green Bay Packer coach Vince Lombardi.

The Crackers' answer to this twosome is fullback Jake Jernigan, who gained 175 yards and scored two touchdowns last week, and tackle Hugo Harvey, a 287 pounder.

Vanilla Wafer was especially vulnerable to the pass in its

opener as a young defensive backfield allowed 180 yards with 17 completion in 26 attempts.

Flavor does the passing for the Cadets. His top receiver, only a sophomore, is Zippy Simian.

"If we can contain Flavor, and I mean both his running and passing, we should do all right," said Redgrave.

Defensive standouts for the Crackers last week were linebacker Rake Racker and end Jim Renn.

VW's offensive backfield is rounded out by halfbacks Roland Ortmayer and Jim Klaczak and quarterback Harry Simpenfender.

Game time at the Crackers' James Bocks Stadium is 1:30.
