CRUNCHED AGAIN: A blown tire in Sunday's 500 in Charlotte put five top drivers out of action. Pearson (17) slammed into Andretti (11) while Petty got through by hitting outside wall.

## Gibson Is MVP Says Sport Mag.

NEW YORK—Pitcher Bob Gibson of the St. Louis Cardinals has been named winner of the 13th annual "SPORT Magazine World Series Award" as the outstanding player in the 1967 World Series.

For Gibson, who won three games in the 1967 Series, including the seventh and deciding contest 7-2, from the Boston Red Sox, it was the second time he has received the award as "the player who did the most for his team through his overall play in the World Series." Bob added a bit of icing to his bid for the prize with a fifth-inning homer that proved to be the winning run in the seventh game.

Gibson also tied Christy Mathewson's record of allowing just 14 hits in three complete-game victories during a career covering more than one Series. His three wins in the Series put him into the record book with a half-dozen other pitchers.

Gibson, who hurled 2-1, 6-0 and 7-2 complete-game victories against the Red Sox, will receive a 1968 Corvette sports car, at a luncheon in his honor.

Bob first received the award in 1964 when he bested the New York Yankees in the deciding game and established an overall Series mark of 31 strikeouts in three games.

## Basketballers To Work Individually This Week

Basketball Coach Dean Smith said yesterday that the Tar Heel players will work out this week individually, but will not play together as a team until next Monday.

"I feel that seven weeks of practice prior to our first game is too much time without a scrimmage game," Smith says. "We have a maximum schedule of games and we're not allowed a scrimmage game with anyone."

By starting next week, we will have six weeks of work before our opener. That should be just about the length of time we need to get ready."

The Tar Heels have four returning starters from last year's powerful team. They are All-America Larry Miller, Rusty Clark, Dick Grubar and Bill Bunting.

## Jimmy Clark To Race At Rockingham

(UPI)—Famed Grand Prix driver Jimmy Clark of Scotland will drive a Holman-Moody-Ford in the American 500 stock car race, it was announced Monday.

North Carolina Motor Speedway said here the winner of 23 Grand Prix races would be in the lineup for the October 29th event at Rockingham, last of the major races this year.

The announcement was seen as an 11th hour move by Ford Motor Co. to salvage some prestige from a Southern stock car racing year dominated by Plymouth driver Richard Petty, who has won 27 races this season.

The American 500 will be on the third race in history to feature the top drivers from all three of the world's top racing circuits—Grand Prix, Indianapolis, and the stock car circuit.

Clark, a wealthy farmer from Dunns, Scotland is the star driver for team Lotus of England and has recorded 23 Grand Prix victories in his career. He is favored to tie Juan Fangio's record of 24 in this Sunday's Grand Prix of Mexico. He will fly directly to the North Carolina Motor Speedway after the race and begin American 500 practice.

Clark's first Grand Prix victory came in 1962 in the Belgian Grand Prix. The same year he also won the British and U.S. Grands Prix. His first world driving championship came in 1963 when he captured the Grands Prix of Belgium, the Netherlands, France, Great Britain, Italy, Mexico, and South Africa. He made his Indy 500 debut the same year and finished second.

Clark won the Belgian and British Grands Prix for the third straight year in 1964 and also repeated in the Netherlands Grand Prix. He ran away with the Indy 500 that year until he decked about half-way with mechanical trouble.

His second driving championship came in 1965 when he also became the first foreigner in 30 years to win the Indianapolis 500. He also won the Grands Prix that year in Belgium and Great Britain for the fourth straight year, the Dutch Grand Prix for the third straight year, and also the Grands Prix of South Africa, France and Germany.

While the American 500 will be his first Nascar Grand National Race, Clark isn't a stranger to stock cars. He has had some experience racing Ford Cortinas and six-liter Galaxies in Europe.

## Fraternity Blues Have 2 Games This Week

By BOB COLEMAN Of The DTH Staff

Fraternities will play twice this week in the blue football league and in most of the white leagues.

Weather has been good so far, but both rainout days have come at the expense of the Greeks, who are usually scheduled on Tuesday and Thursday.

About half of the forty-two men who signed up for the All-Campus Squash even have survived so far in single-elimination play. Matches Monday and tomorrow from 6-8:30 will halve the remaining field.

In residence hall horseshoes, 12 teams are still hoping to win four more matches and the championship. Fraternities haven't quite completed their first round of horseshoe pitching, yet. The winner will have to take five more matches in single-elimination play.

The point standings so far reflect only the track results. Stacy heads the residence halls, with Everett a smidgeon ahead of Carr. James A is fourth and James E, Ehringhaus C and Morrison A tied for fifth.

Graham is eighth, Aycock ninth and Morrison D completed the top ten.

Phi Delta Theta is on their usual perch atop the Greek ladder. DU is a strong second and DKE is not far behind. Phi Kap Sig is fourth, Beta fifth, and APO is sixth. The Zetas and TEP are tied for seventh, while Chi Psi, SAE, St. A and Sigma Nu are all

even pointwise in the ninth ranking.

Tomorrow is the deadline for entering volleyball teams. Play will tentatively start next Monday.

## Braves Can Coaches, Munson

ATLANTA (UPI)—The Atlanta Braves Monday dumped two of their coaches—Bob Kennedy and Bill Adair and broadcaster Larry Munson.

Vice president Paul Richards said no replacements for the coaches had been chosen but that Kennedy and Adair were being given their release now so that they might look elsewhere for employment prior to next season.

The dismissal of the coaches was expected after Lum Harris was named several weeks ago to replace ousted manager Billy Hitchcock. New managers traditionally name their own coaches.

Munson formerly worked for a Nashville, Tenn., radio station where he did the play-by-play of Vanderbilt football and basketball games.

According to both the Atlanta Journal and the Atlanta Constitution, the Braves will go with Milo Hamilton and former pitcher Ernie Johnson as their broadcast team for 1968 with occasional help from Dizzy Dean.
