

Seniors begin new mum sale

by Karen Pusey
Staff Writer

The senior class is conducting a campuswide drive today to sell the more than 1,500 mums remaining from the Homecoming sale and raise funds for the Molly Ellen Nicholson Scholarship.

Senior Class President Lee Hood Capps said the sale is more of a donation drive to enlarge the capital for the foundation. Consequently, the sale will center on the faculty and business communities.

Coffeehouse opens today in Avery

The Scott Residence College coffeehouse, financed by Avery dorm's residence college funds, will celebrate its opening tonight with a presentation by the Carolina Readers.

The grand opening Friday night will feature a talent show by college residents, according to college governor Allen Reep.

The grand opening will end a week of celebrating the seventh birthday of Scott college.

The coffeehouse is located in the large study room in the Avery basement closest to Morrison dorm. It has been equipped with a bar, lighting and stage.

Due to a backlog of funds, Avery dorm decided to put the excess to use by providing a permanent place where Scott residents could come regularly to get together.

During the winter, the coffeehouse will operate on weekends with occasional performers such as Diane Gooch and others who have performed at the Student Union Coffeehouse.

Reep said Scott College residents would also perform at the coffeehouse. The coffeehouse has a limited number of rooms to pay guest performers.

The other dorms in the residence college, Parker and Teague, will supplement the coffeehouse entertainment with occasional combo parties featuring a band and a keg of beer.

Donations of \$2 or more will be asked for, and the donor may or may not accept a mum with his donation. Contributions of less than \$2 will be accepted, but a mum will not be provided.

Capps said he hopes faculty members will see the sale as an opportunity to contribute to the scholarship and to express appreciation to the secretaries in their departments.

The journalism school has already bought mums for its secretaries while Scott Residence College has bought mums for its maids, resident advisors and housemothers.

In addition, Mayor Howard Lee endorsed the senior class drive, and all town hall employees will be wearing mums today.

Several members of the business community have contributed. Tellers at the First Union National Bank will have their mums today.

Other endorsements of the drive have come from Dean of Student Affairs C.O. Cathey and William Geer, director of financial aid.

Geer said, "It has heartened everyone associated with the student aid function of the University to have this student interest and fund-raising effort."

The fact that the Class of 1972 has joined earlier groups of students to increase these funds is a wonderful example of student concern."

The Molly Ellen Nicholson scholarship was created in 1969 to aid minority and disadvantaged students. It was renamed for Molly Nicholson, secretary of the Class of 1969, when she died in an auto accident two days before graduation.

Capps stressed the only criteria for the scholarship are need and potential in a student. The aim is to provide educational opportunities for young people whose family circumstances cannot support their higher education. There are no restrictions concerning academic achievement or any other criteria.

Capps said the basic aim of the mum sale, even before Homecoming, was to raise money for the scholarship. With this in mind he hopes that people wishing just to contribute will send a check, payable to the Molly Ellen Nicholson Scholarship, to the senior class, Suite C, Frank Porter Graham Union.

Man's best friend can be a big help when one is studying for a midterm. This student seems to be enjoying the comfort of his dog while studying in McCorkle Place. (Staff photo by Cliff Kolovson)

Group needs money to fight tuition hike

by Reggie Lester
Staff Writer

Carolina Against Tuition (CAT) will meet at 7:30 p.m. today in the Student Union to discuss means of obtaining funds and circulation of a questionnaire at UNC, according to Ron Mendel, spokesman for the group.

Maria Gangemi, chairman of the questionnaire subcommittee, said the group needs money to finance mailing of the questionnaire, designed to determine the number of students affected by the tuition raise. The extent that the University as an institution will be changed by the tuition hike is also hoped to be determined by the questionnaire.

"We are trying to determine what actions graduate students may take, if the tuition raise goes into effect," Miss Gangemi said. "For example, will teaching assistants resign and go outside the University for higher-paying jobs?"

CAT is not funded by Student Government but tried to obtain an appropriation this summer, according to Mendel. "Therefore, we must rely on

personal contributions," he said, "but I feel students should look upon a contribution as an investment — instead of a gift."

Mendel said a contribution of \$5 now "may save a student \$500 later, as the present tuition is \$1300 and is to be raised to \$1800."

Contributions may be sent to CAT, in care of Jerry Harder, 315 Craige. Mendel said funds are also needed to finance several court cases challenging North Carolina's residency requirement. The suits are sponsored by the N.C. Civil Liberties Union.

"The problem is more difficult due to the lack of interest by Student Government, both in financing and committing their energies," Miss Gangemi said. "As the tuition increase directly affects student education and life, it seems a logical area for Student Government to concern itself with."

She urged all students who receive a questionnaire to return it promptly so the group may obtain a representative sample in their results.

Campus calendar, lost and found

The Carolina Union Coffee House will present Davis and Fitzpatrick at 9 p.m. Friday, Saturday, the UNC Reader's Theatre will present a special Halloween reading of "Frankenstein" at 9 and 10:30 p.m. The Coffee House is in the basement of the Union. Admission is \$.25, refreshments are free.
