

Tables motion for increase

Infirmiry board considers fees

by Reggie Lester
Staff Writer

The Administrative Board of the Student Health Service deferred action on a resolution Thursday to increase student fees for adequate operation and long-range planning of the student infirmiry.

The board also passed a resolution requesting funds from the chancellor to establish a planning commission for implementation of the recommendations of two study commissions last year.

Dr. Carl S. Blyth, chairman and director of physiology division, made the motion to increase student fees \$5 per

semester and \$1 per summer school session beginning next semester.

He said funds were necessary to maintain the present level of services offered by the Student Health Service and to free funds for a long-range study for future improvements.

Student Health Service employees have received a raise in salary, Blyth said, necessitating a revenue increase for the infirmiry.

Nick Didow, a student board member, then moved to table the motion to allow student members to obtain responses from student leaders who have been involved with infirmiry problems in the past.

The vote to table was a 4-4 tie, and Dr.

James A. Taylor, chairman of the Administrative Board, broke the tie.

Dr. Mary Turner Lane, associate professor of education, moved that the board request funds from the chancellor for the planning project. The chancellor asked the board to provide solutions for far-reaching problems, but the board is not financially able to do so, she said.

The motion passed by voice vote with only Associate Dean of Student Affairs James O. Cansler opposing the measure. He said the Student Health Service is supposed to be a self-supporting operation.

Dr. Margaret L. Moore, assistant dean of allied health sciences, said she would obtain cost figures for the planning

project from two or three sources and report to the board.

Victor P. Bowles, university budget officer, reported on the financial operation of the infirmiry before the board took action on two proposals.

Bowles said if the board is going to increase the student fees for second semester, it should take action as soon as possible. The University needs time to revise the Student Health Service's budget in time to present it to the Board of Trustees, he said.

Bowles urged the board to wait until next fall to raise fees if the increase is not effective next semester. Summer session fees should be proportional to regular semester fees, he said.

Parliament votes Britain into Market

LONDON - Parliament made a historic decision Thursday to lead a divided and uncertain Britain out of growing isolation and into the prosperous six-nation European Common Market.

At the end of six days of often bitter debate, the vote gave Prime Minister Edward Heath the authority to go ahead with entry into Europe as his government has advocated.

The six present Common Market countries are France, West Germany, Italy, Belgium, the Netherlands and Luxembourg.

With the addition of Britain and three other countries which have applied to join - Ireland, Denmark and Norway - the new 10-nation community is planned to begin on January 1, 1973.

Tito begins U.S. visit

WASHINGTON - President Nixon welcomed President Tito of Yugoslavia to Washington today with a trumpet-baring red carpet reception due "a world statesman of the first rank." Only an unscheduled fog dulled the pomp and glitter.

Tito arrived by car when pea soup flying conditions forced abandonment of the plan to swoop the World War II Yugoslav hero into the capital by helicopter from the presidential retreat at Camp David in the Maryland mountains.

But even without the airborne arrival on the grassy ellipse back of the White House, all the trappings of full dress honors were mustered on the south lawn.

Nixon: 'we'll beat inflation'

WASHINGTON - President Nixon said today his economic policy has placed the nation on the offensive in the fight against inflation and he predicted "We are going to win this battle."

Nixon spoke to a seminar sponsored by the National Association of Manufacturers (NAM).

His remarks were recorded in advance. The seminar linking groups in 26 cities via closed circuit television was held as the administration stressed anew that Nixon's wage-price rent freeze would not end automatically November 13.

Nixon urged the business leaders who are NAM members "to join with me during the post-freeze period in the great task of revitalizing America's economy so that together we can achieve the great goal of full prosperity in a world of peace."

"I am happy to report that the 90-day wage-price freeze we put into effect in mid August has been extraordinarily successful," Nixon said. "It's success has been a great tribute to the patriotism and the pride of the American people."

U.S. to protect Taiwan

WASHINGTON - The Senate narrowly defeated today a move to repeal a 1955 resolution authorizing U.S. armed intervention if necessary to protect Taiwan from invasion from Red China. The vote was 43 to 40.

The vote removed the repeal proposal from the pending foreign aid bill. The action followed warnings that repeal of the resolution might lead to miscalculations by Peking about U.S. resolve to protect Taiwan.

But the consequence of the vote was unclear because the administration already had said it considered the 1955 resolution a dead issue. The State Department is on record that the authority from Congress would not be used to commit U.S. troops to Taiwan.

Irish, British tangle

BELFAST, Northern Ireland - Irish Republic troops with submachine guns at the ready forced British troops today to abandon explosive charges they had planted on a bridge at the border of Ireland and Northern Ireland.

No shots were exchanged in a 90-minute confrontation described by British military spokesmen as the most serious in recent memory.

A British army spokesman said a British patrol was laying explosive charges to blow up a cross border bridge a Munnely, near Roslea, in County Fermanagh. Irish police protested, saying half of the bridge was in the Irish Republic, and called the Irish army, which took up firing positions along the southern side.

Campus Calendar

DRAFT COUNSELING: 7-9 p.m., Monday-Thursday; 3-5 p.m., Monday-Friday, in Room 258, Suite B, of the Union.

There will be an important meeting of the Board of Academic Lieutenant Governors at 7 p.m. Tuesday at Battle House.

TOPICS IN HUMAN SEXUALITY HEED 33 for spring semester. Pink slips (permission of instructor slips) will be distributed November 10 at 8 a.m. in Room 213 of the Union. 125 male and 125 female spaces will be available. For more information, call 933-5505.

The Carolina Union Coffee House will present Davis and Fitzpatrick tonight at 9 p.m. The UNC Readers' Theatre will present a special Halloween reading of "Frankenstein" Saturday at 9 and 10:30 p.m. in the Coffee House. The Coffee House is in the basement of the Union. Admission is \$.25, refreshments are free.

Baha'i meetings every Monday at 8 p.m. in the Union and every Tuesday at 8 p.m. at 213 Pursefoy Road. Everyone is invited to attend.

Carolina Friends School needs both men and women to lead coed physical education activity in the upper school on Tuesdays and Thursdays, 1:45-2:45 p.m. Call 383-6237 or 383-2257 if interested.

Male students interested in living in Carr Building next semester may sign up for an interview through Monday in Room 102 Carr. If you have any questions about Carr and the International Student Center, see Jan Ter Wengel (RA) in 102 or Steve Esthimer in 206.

Individual pictures for the "Yachety Yack" will be taken in Room 205 of the Union. Make your appointment in Suite D of the Union.

Discussions are now underway in the Department of Psychology to devise a new undergraduate curriculum and a revised program for the major. Any suggestions should be sent to Dr. E. Earl Baughman, director of Undergraduate Studies, or W. Grant Dahstrom in Davie Hall.
