

Evans out for season Wrestlers face Trenton St., Rider

The Carolina wrestling team takes the first of two overnight trips this season when it travels to Trenton, N.J. to take on Trenton State and Rider College. The Heels have posted a 2-1 record in dual meet competition this season.

The trip has special significance for Tar Heels Bob Monaghan, C. D. Mock and Dean Brior in that they will be returning to their high school territory. Monaghan and Mock come from one of Pennsylvania's high

school wrestling powerhouses. Council Rock High, and Brior graduated from Haverford High School, situated in a suburb of Philadelphia. UNC coach Bill Lam expects some good crowds to see their return home.

The Heels will make the trip without freshman Kenny Evans. Evans injured his knee Tuesday night in a match at State and will miss the remainder of the year. Evans, in his first year at Chapel Hill, had won his first

two tournaments and all of his dual meets before taking a loss by default to State's Dave Polinelli. With continued progress, an ACC championship at the end of the year seemed probable, giving him an opportunity to become a four-time conference champ.

For UNC coach Bill Lam, frustration continues. In his four years at Carolina, Lam has seen some of his top wrestlers forced out of action with injuries. Three ACC champs, Dave Casale, Tim Reaume and Chris Conkwright, have all been struck down in the past, and now Lam has another potential champion hurt badly.

"I guess we've just been jinxed," Lam said. "It's a very physical sport, and you just have to hope things like this won't happen. Kenny was hurt during the match, so there really is not much you can do about it. It's all part of the game."

Battle, Crum interview for UNC coach's post

An announcement about who the new Carolina football coach will be should be made this weekend or early next week.

The committee searching for the replacement for Bill Dooley apparently has finished interviewing candidates for the job.

Miami of Ohio Football Coach Dick Crum and former Tennessee Coach Bill Battle were interviewed Thursday for the coaching job at Carolina.

Crum and Battle joined a growing field of candidates being considered for the job vacated by Dooley, who went to Virginia Tech in the dual role of Athletic Director and Football Coach.

Others being considered for the job include East Carolina Coach Pat Dye, Furman Coach Art Baker, North Carolina assistants Jim Donnan, Tom Fletcher, Pat Watson and Pittsburgh Steeler Defensive Coordinator Bud Carson.

Crum, who has a 34-10-1 record in four years at Miami of Ohio, was seen touring the Carolina campus Thursday, and athletic officials confirmed he was there.

School officials refused to comment on whether Battle was interviewed, but those close to the Tar Heel athletic scene confirmed he met with the selection committee. Battle was fired after the 1976 season and is now in private business in Selma, Ala.

Crum's performance at Miami of Ohio includes three Mid-American

conference titles and Tangerine Bowl victories over Georgia and South Carolina.

Crum was a longtime Miami of Ohio assistant before taking over the job after Bill Mallory left for Colorado. Crum had a dismal 3-8 season in 1976, and his job was reportedly in jeopardy before the team came through with a 10-1 record in 1977.

Track team at Philadelphia

UNC's men's indoor track team travels to Philadelphia Saturday to take part in the Philadelphia Classic.

"This is a big invitational, along the same lines as last week's meet in Richmond," coach Hubert West said.

"We're working good, real good," UNC Head Track Coach Joe Hilton said, "though we have been unable to get in any speed work."

"This year's team looks to be stronger than last year's, but we still don't have the depth. We really haven't had the depth now for three years or so."

Along with two-miler Ralph King, those going to Philadelphia include Delbert Powell, in the 60-yard dash, the mile and two-mile relay teams.

The mile relay team is made up of Wayne Tucker, Sam Brown and freshmen Wayne Miller and Brodrick Bennett. The two-mile relay team

includes Kevin and Don Lockerbie, Mark Thompson and Doug Slack.

Hilton said practice this week went well for the runners although the rain and cold kept them from running as much as he would have liked.

"We're hurting most in the jumping events, the hurdles and the vaults. We had some of our vaulters go over to N.C. State this week to get in some board work, and we hope to continue this," Hilton said.

UNC's indoor track team is unable to practice at Carolina because of the lack of facilities as a result of the reconstruction of the Tin Can.

"WHY DO THE HEATHEN RAGE?" Psalms 2:1 and Acts 4:25

Recently a friend sent me a clipping from this column he had saved, asking the date it appeared and making this comment: "We need this today. Every church member should read this, pastor, and all." We agree, and are reprinting a part of the Article that was in this column May 4, 1963.

This question is the opening words of The Second Psalm of The Bible, God Almighty's Book and revelation of Himself to man. "A heathen is one who does not believe in The God of the Bible." They rage in order to get rid of His Moral Law, Judgments, His Ten Commandments.

In Ezekiel 44:24 God says: "And in controversy they shall stand in My judgments; and they shall judge it according to My judgments; and they shall keep My laws and My statutes in all mine assemblies; and they shall hallow My Sabbaths." Those interested are invited to consider some of God's judgments regarding worship, as there is considerable controversy in this matter these days:

There was a man named Cain. He came to worship God and brought an offering. God did not want what he brought and would not accept it. Cain got mad. Cain killed his brother Abel. The final outcome of Cain's worship was a curse and not a blessing. — Genesis 4:3-12.

King David, the man after God's heart, in moving the Ark of God had a new cart made and hitched oxen to it. God had

commanded that it should be moved only on the shoulders of the priests and Levites. The oxen stumbled! An attendant named Uzza caught hold of it. God struck him dead! 1st Chronicles, 13th chapter. No doubt the intentions of both David and Uzza were good, but profaning of that which was sacred brought a curse instead of a blessing!

Moses met God at the "Burning Bush." God said: "Put off thy shoes from thy feet, for the place where thou standest is holy." — Exodus 3:1-6. God appeared to Joshua before the city of Jericho and Joshua said: "What saith my Lord unto His servant?" The reply was: "Loose thy shoe from off thy foot; for the place where thou standest is holy." — Joshua 5:13-15.

The only record we have of Christ striking any one physically when on the earth in the flesh was those whom He lashed with a whip of cords and drove out of God's House for profaning and misusing the sacred place. — John 2:14-17.

John 4:21-24: "Jesus saith unto her, Woman, believe Me, the hour cometh, when ye shall neither in this mountain, nor yet at Jerusalem, worship The Father. Ye worship ye know not what — but the hour cometh, and now is, when the true worshippers shall worship The Father in spirit and truth; for The Father seeketh such to worship Him. GOD IS A SPIRIT; AND THEY THAT WORSHIP HIM MUST WORSHIP HIM IN SPIRIT AND IN TRUTH."
