September a busy month for Carolina county fairs

Juicy red apples, goldenrod blooming in the mountains and county fairs in North Carolina towns. The first signs of the fall season are here. At last, the dog days are almost over.

There will be at least four county fairs in the state this month for those who like down-home cooking, agricultural exhibits and craft displays.

The Durham County Fair is scheduled for Sept. 25-30. Not as close by, the county fair in Statesville is scheduled to begin Monday and last through Saturday.

Macon County will hold a fair Sept. 11-17 in Franklin, and Cabarrus County will hold one from Sept. 11-16 in Concord.

For chicken lovers, the Rose Hill Poultry Jubilee in eastern North Carolina will begin the last day of this month. Major activities include selection of a Poultry Queen and a chicken fry in the world's largest frying pan.

For collard lovers, the town of Ayden will be cooking collards Sept. 7-10 for the annual Collard Festival. Last year's winner of the collard eating contest reportedly managed to eat six pounds of the vegetable in 30 minutes.

For any local mules who don't like collards, the annual Benson Mule Day, Sept. 21-24, is a contest to select the youngest, oldest and ugliest mule.

A county fair may mean livestock on exhibition
