

Hear the Beatles like you've never heard them before... unless you were there.

More than a record... this is a stereo component! An Original Master Recording™ will improve your stereo system's performance. Reproduction so real, you can't tell it from the original performance.

Music realism begins with the original stereo master tape, made in the studio by the artist. We then use our exclusive Half-Speed Mastering method and do our custom pressing abroad on super quality vinyl. We limit the number of pressings, so that the last is as clear and accurate as the first.

You've never heard your favorite music by your favorite artists like you'll hear them on Original Master Recordings™ unless you were there.

You'll find Original Master Recordings™ (including our 6 latest releases) now at selected audio and record stores.
