

Earth, Wind & Fire says: Get Platinum Power.

Platinum Power. It's what the superstar rock group Earth, Wind & Fire puts into its platinum albums.

And it's what Panasonic puts into a new line of superstar AM-FM stereo cassette recorders.

Platinum Power. Enough power to bring the beat to the street. To put the high-stepping highs and low-down bass into your favorite music.

And it's sophisticated goodies like linear scale tuning, LED meters, Dolby[®] separate bass and treble controls and 2-way speakers with separate woofers and tweeters. And more.

The Panasonic Platinum Series. The sound. The look. The features. The power. They're all pure platinum. Just ask Earth, Wind & Fire.
