An American Greetings Card can...

share a joy

generate a chuckle

make a birthday happier

add sunshine to someone's day

make the miles seem shorter

ease a troubled soul

inspire a fresh outlook

celebrate life's special moments

take you home for the holidays

express a difficult thought

rekindle old friendships

let someone know they're remembered

get around those awkward situations

American Greetings does all this and says it in beautiful new ways. Reach for American Greetings the next time you've got something special to say.

extend congratulations

bring you closer to those you care for

American Greetings
 Creative excellence is an American tradition.
