## The Porthole Picks the ACC

A weekly feature predicting the outcome of the week's ACC football games

*"We know more about good food than we do about football!"*

LAST WEEK: 4-2
OVERALL: 12-4

WEEK OF SEPT. 27

The Tigers beat Georgia every way except on the score board. This week they will win there too.
**Clemson over W. Carolina 21**

The Cavs may be just strong enough to get by Duke in Durham
**Virginia over Duke 5**

The Jackets fooled me last week-and they may do it again this week.
**Georgia Tech over Memphis State 6**

The Pack doesn't look like a rebuilding team so far.
**N.C. State over Wake Forest 10**

The first big shoot-out of the ACC race goes to the home team in a real bruiser
**UNC over Maryland 4**
