

# Schlitz to bring Beer Review to frat court

By JONATHAN TALCOTT  
DTH Staff Writer

The Joseph Schlitz Brewing Co. announced that it has scheduled a beer tasting test for this Saturday at Fraternity Court on the UNC campus.

The taste test, called a Brew Review, will pit Schlitz's premium beer against Michelob, which is Anheuser Busch's super-premium beer.

"The Brew Review is a continuation of the advertising campaign that we began last year during half-time at the Super Bowl," said Carol Vollmer, manager of corporate communications for Schlitz.

"The taste-test this Saturday is one of four across the Southeast that we will be holding in the next two weeks," Vollmer said.

The four other schools in the Southeast are: the University of Georgia, Florida State University and Louisiana State University.

"We chose Chapel Hill because it has a good reputation as a trend setter in its area. It is also a fairly large nationally known university that has used Schlitz regularly in the past," said Vollmer.

Andrea Stempfer, the Schlitz Sales Representative on campus, said, "The taste test here is a pilot program that may

be the first in several across the country. "The contest is set up to assure fairness," she said.

"There will be five booths where students can go to taste beer. At each booth the beer will be served to the student by an impartial third party. The beer will be presented in a random order. Randomness is assured by a computer. After the student decides which one he likes, he will push a panel and get to see the answer immediately," she said.

When asked why Schlitz had chosen Michelob, Vollmer referred to the taste tests held during the Super Bowl. "When we went against Michelob in January, 50

out of 100 Michelob drinkers chose Schlitz. Michelob is also the number one super-premium beer in the country so we thought it would be a good test," she said.

"We want the students to have an opportunity to choose for themselves. Through the blind taste test, they will have the chance to directly compare our beer with a higher priced super premium beer," Vollmer said.

## for the record

In the article, "Mixed reactions prompted by leader's assassination," (DTH, Oct. 7), Edward Azar of the Center for International Development is quoted as saying certain Egyptian groups had a history of assassinating opponents, and that such behavior was "typical of what Moslems have done before." Azar was not referring to Moslems in general but to a political organization, the Moslem Brotherhood, and to the antagonistic relationship the group has had with various Arab governments. The DTH regrets the error.

## Cancun

democracies last July in Canada. The administration's objection to such talks has been based on a fear that if they are conducted under the ground rules of such international organizations as the United Nations, where each country has one vote regardless of size, the United States could be overpowered.

The president said the United States

came to Cancun "offering our hand in friendship as your partner in prosperity," and was willing to listen and to learn.

"The bonds of our common resolve will not disappear with our jet trails," he said.

Earlier, Lopez Portillo told a tardy Reagan and the other delegates that changes must be made in the "unjust and unfair" global economic system.

He said the system was responsible for hunger, poverty and squalor and told his fellow leaders, seated at a round table behind plastic name plates bearing miniature flags, "It is imperative that we refigure the complex and plural nature of today's world, instead of trying to reshape it to our own private image and likeness. No one of us is either pope or messiah."

"The Yellowjackets' album ranks as one of the finest, most radio-accessible jazz-rock offerings of the year. Gut reaction to The Yellowjackets parallels the power of the Crusaders (the good ol' Crusaders with Larry Carlton, etc.). Featured musicians include Russell Ferrante on keyboards, Robben Ford on guitar. A digital recording produced by Tommy Lipuma, Yellowjackets floats like a butterfly, stings like a bee and sounds like a hornets' nest of honey-dipped jazz/rock. An extremely fine record."

## Labor panel outlaws PATCO

WASHINGTON (AP) — A federal labor panel voted 2-1 Thursday to strip the Professional Air Traffic Controllers Organization of its right to represent air controllers because of the union's call for an illegal strike against the government.

The order by the Federal Labor Relations Authority said federal law and the union's actions in calling a nationwide strike last August "plainly requires revocation of PATCO's status" as the air controllers' collective bargaining representative.

Before the ruling was announced, PATCO attorney Richard Leighton had indicated the union would appeal immediately to the U.S. Court of Appeals to stay the agency's order.

The panel's order marked the first time the government has put a union out of business by permanently stripping it of its bargaining authority.

## Thousands walk out in France

PARIS (AP) — Thousands of workers struck in France on Thursday and thousands more planned walkouts, another sign that labor's five-month honeymoon with Socialist President Francois Mitterand was drawing to an end.

Strikes by mechanics and hangar employees at Orly airport delayed for seven hours the departure of Lech Walesa, leader of Poland's independent union Solidarity. He had been in France for a week at the invitation of unions.

Thousands of workers at the state-owned Renault auto plant at Billancourt, outside Paris, put down their tools to demonstrate in the streets around the factory.

The workers demand a 38-hour week before the end of this year and a 35-hour week in 1983, retirement at 55 and the creation of 2,000 new jobs at Billancourt. Management refuses to negotiate.

Workers at the state power and gas utilities, Electricite de France and Gaz de France, plan limited strike action next week to back demands for shorter working hours.

### "WHY DO THE HEATHEN RAGE?"

Psalm 2:1 and Acts 4:25

In the second Psalm of the Bible God asks the above question, and then answers it. He tells who the heathen are, why they rage, and His reaction and consequences of their rage.

Usually we think of the heathen as savages or uncivilized people, but here God names them as kings, rulers, people who imagine a vain thing, and rage and rebel against His Government, His King, Laws and Commandments. Such folks certainly do not believe in the God of the Bible. Webster says a heathen is "one who does not believe in the God of the Bible." Our government and rulers have rejected God's Book and the Lord's prayer for our schools.

Psalm 22:28 tells us "GOD IS THE GOVERNOR AMONG THE NATIONS." Hear this governor's orders: "AND THOU SHALT TEACH THEM (God's law) DILIGENTLY UNTO THY CHILDREN, AND SHALT TALK OF THEM WHEN THOU SITTEST IN THINE HOUSE, AND WHEN THOU WALKEST BY THE WAY, AND WHEN THOU LIEST DOWN, AND WHEN THOU RISEST UP — THAT IT MAY GO WELL WITH THEM, AND THY CHILDREN AFTER THEE." Deut. 6:7 and 12:25.

Our forefathers put God's name, "the God of the Bible," on our coins: "In God we trust." We are still willing to have God's name on our money, but it appears we don't want God's name on our school children! You don't have to go "to far away places" to find heathen! We are in great need of home missionaries. Every true Christian is a missionary.

"WHY DO THE HEATHEN RAGE?" Why? what is the cause? It is to get rid of the Commandment of God, His King, His Moral Law, His Ten Commandments: "To break the bands, cast away the cords" of restraint the Almighty has thrown across our paths to hold us back from damning ourselves, children and posterity in time and eternity!

WHAT ARE THE CONSEQUENCES OF THE RAGE OF THOSE WHO DO NOT BELIEVE IN THE GOD OF THE BIBLE? "HE THAT SITTETH IN THE HEAVENS SHALL LAUGH. THE LORD SHALL HAVE THEM IN DERISION: THEN SHALL HE SPEAK UNTO THEM IN HIS WRATH, AND VEX THEM IN HIS SORE DISPLEASURE." Psalm 2:4, 5.

God's message in the second Psalm may be summed up in just one short verse of the New Testament, Romans 8:23: "FOR THE WAGES OF SIN IS DEATH: BUT THE GIFT OF GOD IS ETERNAL LIFE THROUGH JESUS CHRIST OUR LORD."

These comments are in reply to the recent WCHL Commentary by Bob Saunders in which he endorsed the Carboro Community Coalition.

We are sorry about Mr. Saunders' comments, but we encourage him to objectively investigate facts, and we feel that if he does he will vote for honest and responsible candidates in the town election on Nov. 3. These candidates are Hillard Caldwell, Joyce Garrett and Roger Messer.

Mr. Saunders' comments were typical of what one might expect from a closed government. A closed government exists in Carboro with members of the Coalition controlling 6 of the 7 elected seats including the mayor's. The Coalition has maintained its political power by selectively spending the town's 2.75 million dollar budget. Mr. Saunders trumpeted the cause of the Carboro Community Coalition in past referendums.

The Coalition board members soon thereafter appointed him to the Carboro town planning board. We question whether Mr. Saunders' recent endorsement of Coalition candidates will pay off with another appointment.

We would suggest that he perhaps be named manager of the new community park scheduled for dedication 9 days before the town's elections on Nov. 3. His first responsibility should be to investigate the missing facilities that the Coalition promised in the bond referendum such as the olympic-size swimming pool, the bathhouse, the Community Center, 6 tennis courts and 4 basketball courts.

Also he might issue an explanation of why there are only 3 toilets and 1 urinal to service all the present 8, 264 residents of Carboro, and why these meager facilities are totally without privacy. The 1.11 million dollar park is the brainchild of Doug Sharer. Mr. Sharer and the Coalition also misrepresented the location of the park. Rather than being within walking distance of the town the park is located 2 miles west of town hall, outside the city limits in the country, and is not convenient for students or anyone else.

Mr. Saunders should do more than carry signs for Alderman Sharer and some thinking is in order about the effects of poor fiscal management and planning on the townspeople.

VOTE NOV. 3, HILLARD CALDWELL — ALDERMAN, JOYCE GARRETT — ALDERMAN, ROGER MESSER — MAYOR.

BEWARE — BITCH BRIGADE is looking for a few crude men — each. Tactics vary, but are never subtle. Better reinforce your Levis, guys. THE RIDERS.
