the University and the town," she said.

"North Carolina has no rent control laws," Boulton said, "My feelings are that there's nothing much the town can do about condominium conversions." "The solution is not to keep apart-

ments from converting, but to stimulate new housing," Pasquini said.

On another issue, Douglas Ruff, a UNC student, said student opinions were not being represented on the council.

"I represent the largest segment of people in Chapel Hill, and that's the students," Ruff said. "We're talking about many of the citizens in this town

Most candidates agree that the success who are not being heard." of the noise ordinance depends on coop-Boulton said she too represented stueration.

"When the noise ordinance was developed I contacted the student body president and The Daily Tar Heel editor," Thorpe said. "I want to continue this support of having student input at theearly stages in forming policies."

"I do think it is necessary to take another look at the noise ordinance." Kawalec said. "The purpose of the ordinance was to make it clear to everyone from the beginning what was expected and permitted concerning the noise issue. It appears we didn't totally achieve that goal."

Both Lindsay and Mebane said they would be willing to discuss possible amendments to the noise ordinance, and like Brown, they favored having an ordinance.

"Carrboro is one of the last mill villages Bill Pressley, an independent candidate, intact," Messer said, stressing the need for preservation. Historic preservation would citizens working together." bring businesses back downtown. Messer, The Coalition has divided students who claimed the present board had dis-

Messer said he would further encourage development by raising the height requirement in sections not in the historic district.

Messer said that as a Coalition member he campaigned for the bus system and that he still supported public transportation.

said the most important issue in the election was "getting our students and our old-time

against long-time residents, he said.

Pressley said he would like to open the doors of Town Hall to all the people to work for the betterment of the community.

Carrboro has a bad economic problem, Pressley said, recommending loosening of restraints on Frank Kivett, Carrboro's economic development coordinator.

Pressley said that he believed the town had been involved in too much litigation and that he would save money by working out problems outside the courtroom.

Another way to save money, Pressley said, would be to cut the mayor's salary in

He said the mayor did not need a secretary and that secretarial work could be done by part-time help. The mayor, who works mainly at night, also does not need an office, he added.

voice vote, enacting the revised House plan into law.

After a couple of running plays, Stankavage scrambled for 10 yards to the Terrapin 24-yard line. From there the drive stalled, as the Heels only managed to get to the 18.

But kicker Brooks Barwick, a sophomore

from Clinton, came on to boot a 35-yarder that barely cleared the crossbars to tie the game at 10 with less than six minutes to go. Again, it looked as if there might be no more scoring, as Maryland punted to the UNC 12

with three minutes to go. But, again, Stankavage started moving the Heels on completions to Richardson and tight

end Shelton Robinson, the leading receiver of the day. But a sack by Maryland's Gurnest Heels way back. With 1:35 left, UNC's Jeff Hayes punted to

the Maryland 20, where Lewis, switching from hero to goat, bobbled the ball and UNC freshman Larry James recovered it. On the next play, Stankavage threw a swing

pass to Tyrone Anthony, who had been plagued with a groin injury. Anthony outraced the secondary for the score with 1:26 to go,

Bob Milkovich, substituting for the injured Esiason at quarterback, dumped passes in be-

tween the zone coverage on the next possession. He drove the Terrapins all the way to the Carolina 15 with 12 seconds remaining. UNC defensive back Walt Black, who did not start for the first time this year, intercepted a

Art Chansky, Sports Commentator, says:

Bill Thorpe has approached his job as Chapel Hill Town Councilman with enthusiasm and dedication. Few elected officials have been observed to enjoy their office more. Bill Thorpe is sensitive to both sides of a given issue and always seeks feedback from citizens of Chapel Hill before casting his vote. Bill Thorpe takes his responsibility seriously and four years of service and experience prove it. I'm voting for Bill Thorpe again. How about you?
