

Pest control

Do not let a pest ruin a promising evening. If someone insists on monopolizing your attention say, "I've enjoyed talking to you, but I'd like to talk to other people also." Make sure to use a firm voice; look the offender straight in the eye, and immediately turn away from him. If they persist a firm, "I'd rather not," will usually send them scurrying.

In a class

DO: Get there early to check out the prospects.
DO: Sit next to the person you'd like to meet.
DO: Begin to speak immediately. Ask about the homework, the professor, or the last test.
DO: Ask for help with your homework.
DON'T: Sit across the room and stare at the person you are attracted to. Someone else could sit next to him/her and ruin your chances.
DON'T: Work the crossword puzzle.
