For the record

In Friday's article "Jordan Dunks Wahoos," the story should have read that Michael Jordan stole the ball from the Cavaliers' Rick Carlisle, not Othell Wilson. And the reference to UNC's victory over UVA earlier in the season should have scored the game 101-95, not 105-98. The DTH regrets the errors.

ACC tournament tix

These are the winning numbers chosen for the ACC Tournament ticket lottery: 22, 26, 40 and 52. Winners can purchase tickets until Friday for \$70. Alternate numbers selected were: 8, 25, 51, 53, 57 and 70. Anyone with questions can call the UNC ticket office at 962-2297.

Happy Valentine's Day

TO TWO OF MY FAVORITE WORLD-CLASS "RESERVES": Did you really "insist an aura of winning"? Were the girls really "inspired by your presence"? Was this one really "for you"? I know you two really were "hiding up in the stands" and I know that you "couldn't be reached for further comment" because you were at Darry's. Here's to a future full of more wild nights of Mexican at Backstreets—I told you I'd get your name in the paper eventually MF. Happy Valentine's Day guy'all!

PUFF: I'm glad I sent a friend a flower that day. It has been nice. Happy Valentine's Day from your fellow clock initiator. Love you Princess, Huff.

KM: I don't know where to begin, there's so much to say, but my words won't do it justice. Four months ago, I met someone who has made quite an impression on me. She has become my best friend, and has shared more with me than anyone has before, and to mention all the happiness she's given me. I'm very lucky to have met her and hope she knows how special she is to me. Thank you so much Katya. Happy Valentine's Day, I love you. KM*
