

# LOOKING GLASS CAFÉ

## A NEW LOOK.....A NEW MENU...

### FREE, LIVE ENTERTAINMENT...

### AND WE'RE OPEN 24 HOURS!

#### NEW LOOK:

What a difference more space, big windows, skylights, old-timey fans and healthy, green plants can make!

Come visit. We think you'll agree.

#### NEW MENU:

Not only have we added space...we've added more food to our menu. Our ALL NEW pasta bar features whole wheat or spinach noodles, your choice of three homemade sauces (herbed butter clam, meaty tomato, or vegetarian vegetable) served with tossed salad and whole wheat rolls. Our ALL NEW spuds are just for you, too. Try a Western (piled high with imported ham, bacon, cheddar, green pepper, onion, sour cream, and chives), a Veggie (sauteed mushrooms, grated carrots, cheddar, sour cream, onions, sprouts and chives), or The Broccoli (smothered with cheddar cheese, sour cream, onions and chives and inundated with fresh broccoli). We've even added a few more sandwiches to our already large selection of delectable sandwiches and hand-patted burgers. How do these sound?? **TURKEY CLUB...**Boneless breast of turkey, sliced thin and piled high covered with bacon and cheddar cheese, topped with lettuce and tomato, served with potato salad and pickle...or **THE SUPREME BURGER...**5.5 heavy ounces of ground chuck, smothered with bacon, cheese, mushrooms and your choice of 10 condiments.

#### BEST BREAKFAST DEAL:

Chapel Hill's Best Breakfast deal is right here at Looking Glass...2 eggs any style, whole wheat toast, coffee or tea...only \$1.09. Goodness Gracious, you can't even buy a biscuit for that! (Whole wheat pancakes, french toast, and wonderful omelets, too.)

#### FINEST SALAD BAR:

Don't forget we still host Chapel Hill's Best.

#### FREE ENTERTAINMENT:

Yes, our entertainment is free and live and it's every Thursday, Friday and Saturday from 11pm to 2am.

#### SAME OLD HOURS:

That's 24 of them, seven days a week. We don't want you ever to go hungry or thirsty.
