## Soccer team defeats UNC-Charlotte, 5-1

From staff reports

The North Carolina men's soccer team defeated UNC-Charlotte, 5-1, in a sloppy game Wednesday afternoon on Fetzer Field.

Senior Rob Kelly opened the scoring for the Tar Heels with a breakaway goal before the game was 10 minutes old.

The teams traded sloppy passes for the next 20 minutes of the contest, and then traded goals. UNC-C tied the game, but the Tar Heels struck back on a Billy Hart-

man penalty-kick conversion. The second half included three UNC goals, and a slew of yellow cards.

Mark Devey scored goals on two booming shots, the sophomore's fourth and fifth in his last two games. Jay Ainslie scored the final UNC goal.

The referee was forced to issue several cards in the second half. The yellow precautionary cards went to UNC-C, but the red card of ejection went to North Carolina freshman Shawn Ritchie.

The win gave UNC a record of 9-2-1 on the season.

The UNC volleyball team raised its record to 9-6 with a 3-1 victory over Virginia Tuesday night in Carmichael Auditorium.

The Tar Heels now have a 2-0 record against ACC opponents.

The match brought both the Tar Heels' best and worst performances. The game-by-game scoring read 15-6, 15-8, 4-15 and 15-6.

"We played well at times and other times we just completely lost our concentration," Coach Beth Miller said.

In the second game the Tar Heels came back from a 6-3 deficit. Donna Meier turned the game around with three consecutive aces to give the Tar Heels an 8-6 lead.

The third game brought on sloppy passing and missed-timed sets by UNC.

"There was no reason we should have lost the third game," tri-captain Meier said. "It was completely mental."

The Tar Heels came back after the let-down to play perhaps their best all-around game of the season. North Carolina raced out to a 14-1 lead and won the final game easily.

## Tar Heel cagers leave Friday for Greece

By EDDIE WOOTEN  
Assistant Sports Editor

Taking a trip to Greece shouldn't be such a bad deal. But for North Carolina's basketball team, leaving Friday for the Mediterranean, going to classes in Greece and playing two games in one night, there could be more work than enjoyment.

The trip, which was scheduled for Fall Break so the team would miss a minimum number of classes, will give the Tar Heels a chance to learn in the classroom as well as play four games, including a doubleheader Thursday, Oct. 20.

Because of the tournament's early date, the Tar Heels were allowed by the NCAA to begin practice Oct. 3, 12 days before the Oct. 15 starting date for other college teams.

The tournament was originally scheduled to feature UNC, the Greek national team, Spain and Italy. However, the actual format will include Yugoslavia, Turina of Italy and the Greek national team.

A second Greek team will compete with those three in a four-team tournament starting Monday. UNC will play the survivor late Wednesday night in Thessaloniki, then play a doubleheader Thursday. The Tar Heels will face the Greek national team Friday in Athens.

With the aid of Dr. James McCoy, a UNC professor of Greek history, the team will learn about the country during class sessions.

UNC coach Dean Smith, speaking at media day Tuesday in Carmichael Auditorium, said his players would only miss one class since the trip is during Fall Break.

"We didn't think one day of classes would hurt, particularly if we get an hour's credit with Dr. McCoy," Smith said, adding that his players would be required to write a paper when they return.

The Tar Heels have taken mid-season trips annually. Smith said his seniors made a decision to go to Europe, but the dates of the Greece tournament were more convenient — not in midseason, either.

"I'm never going to take a team overseas again during the season," he said. "We went to Madrid once and London once. The last time, we got back at 2 a.m. and had to play at Clemson that night. We got beat — badly."

The players and coaches will make the nine-hour flight to Athens Friday, and go sightseeing Saturday. Smith will conduct a clinic Sunday, with classes and more tours set for Monday and Tuesday. The Tar Heels will play Wednesday through Friday, and return home Sunday, Oct. 23.

Smith said the 12 extra days of practice could make for a long season, especially if the team plays in the NCAA finals April 1.

"I don't want this much time," he said. "We started Oct. 3 and we hope we're playing April 1. When we come back from Greece, we'll give them some time off."

Despite an early start and the possibility of a long season, Smith said practices had been going well. But after only five sessions, not many of the offensive or defensive plays are set.

"All our defense will be man-to-man, and we'll use almost an all free-lance passing game on offense. If they (the opponents) do anything unusual, we won't be prepared for it."

The UNC players said they were looking forward to playing in Greece for the first time as a team.

"I think in going over there, we will be able to show things we can do as a team and, better, to show things we can't do as a team," said senior Matt Doherty. "We have the basics down in practice. We'll be playing against good competition and can play as a team. Then we'll have a few days off and can work on what we need to work on."

Junior Michael Jordan said the team's trip would be like a different season before the first regular season game against Missouri in Greensboro Nov. 26.

"We treat it like it's a separate season," he said. "We get to play a couple of games and come back and work on our weaknesses."

Senior Sam Perkins was impressed with practices. "I think this is our best start in my past three years," he said. "Coach says we're doing pretty good. Once he compliments us, we feel pretty good."

Though the team plays a doubleheader Oct. 20, sophomore Curtis Hunter said the educational side of the trip would help the team.

"This year we've really stressed the educational purpose (of the trip)," he said. "It's a way of getting away and relaxing. I'm looking forward to it, never having been out of the U.S. myself."

The 6-8 Doherty, visiting the land where "old Socrates and his boys" could be found would give him a chance to add to his photography collection, he said.

"When I go on trips, I take pictures I usually regret," Doherty said. "They usually end up in a drawer. This year I want to take some pictures of the guys and show them hanging on the Parthenon or something like that."

"I've had some classes in which they showed the Parthenon. It's in pretty bad shape, so we won't want too many guys hanging on it."

Smith took time to preview his team and provide updates on injuries. Hunter, who broke a metatarsal bone in his left foot during an Aug. 15 pickup game, had his cast removed Oct. 7 and should start practicing near the end of October. Jordan twisted an ankle in practice but said it was "feeling great."

"Sam (Perkins), I think, has had a sensational week of practice," Smith said. "No one can touch him. He's ahead of the younger big men so much."

"I like Brad Daugherty's improvement. He's still 17, and we would look for him to improve more than the others."

Junior Buzz Peterson, ready to step in at point guard after a knee injury sidelined him last season, also drew accolades from the coach.

"He looks confident in the quarterback position," Smith said. "We've had five practices and it's a little painful when he gets fatigued, but that's normal. He said he feels confident in the quarterback role."

"(Sophomore guard Steve) Hale is coming on fast as one of our best defensive players," he added.

The trio of freshman — Dave Popson, Kenny Smith and Joe Wolf — are not available for interviews until after their first varsity game, but Smith also praised their progress.
