

Ford's 8 break UNC mark

By MIKE WATERS
Staff Writer

Records are meant to be broken, and in Saturday's 17-8 lacrosse win over Adelphi, the oldest mark in the North Carolina record book was eclipsed by junior Mac Ford.

Ford scored eight goals against the overmatched Panthers, besting a record set in 1965 by Jeff Parker. Parker had seven goals against Virginia during the sport's second year at UNC. "It was nothing really special," Ford said after his virtuoso performance. "Most of the goals were assisted; the other guys did all the work — I was just in the right place."

Ford was assisted on six of his eight scores. Twice Brent Voelkel fed the Tar Heels' scoring leader. Freshman Gary Seivold also had two assists as Ford wrote his name in the record books.

Parker's 18-year-old record had been challenged three times since he set it in the 12-9 loss to Virginia. Harper Peterson scored seven goals in a game against Bucknell in 1969 and duplicated the feat in 1970 versus Duke. Most recent was Fet's seven goals in 1973 in a 10-9 loss to Washington (Md.).

As Ford moved closer to history on Saturday, North Carolina moved further away from Adelphi. The Tar Heels exploded out of the starting gate and dominated the early going.

It was hard to decide whether UNC's offense or defense was more imposing. The Tar Heel defense allowed only five shots on goal in the first period and goalkeeper Tim Mealey kept his net empty. On offense, North Carolina took advantage of three extra-man opportunities and led 5-0 at the end of the first quarter. Ford already had two goals and had collected assists on the first two goals of the game by Joey Seivold and Andy Smith.

UNC kept up the barrage in the second quarter. Ford scored three more goals and Joey Seivold added his second of the day, as North Carolina upped the score to 11-0 and the defense

continued to completely shut off the Panther attack. Adelphi got a goal from freshman Dan Brown with a minute left before the half to break the ice formed by Randy Cox, Chris Walker and Tom Haus in front of Mealey.

"I thought we played well defensively, especially early in the game," UNC coach Willie Scroggs said. "We're playing as well defensively as anyone in the country. Our keeper (Mealey) is playing real well and we're not giving a lot of chances."

Saturday's 10 saves with only four goals kept the junior goalkeeper on a record-setting pace for goalie percentage. The statistic takes the number of goals and saves divided into the number of saves. The season record is .676 set by senior Gary Waters in 1981. With this Saturday's game against Virginia and the playoffs still remaining, Mealey has an outstanding .727 percentage.

"It's a great feeling having somebody we can trust behind us," defenseman Chris Walker said. "Even if we get beat, we know that he (Mealey) is still back there. He's the best one-on-one goalie I've ever seen."

The second half was played evenly as both teams began to get sloppy and both coaches used their benches. Ford continued his assault on Parker's record and with 5:50 left in the third quarter tied it on an extra-man goal with Ray Crosby getting the assist. Three minutes later Ford did it all by himself, firing home his eighth goal of the afternoon.

Ford now has 34 goals on the year and with the Virginia game plus an uncertain number of playoff games, he is within reach of the UNC record for most goals in a season. That mark is 43, set in 1974 by former All-American Fet.

"Mac got a lot of his goals on extra-man offense," Scroggs said. "The open guy should get the shot and he was open. The first line played very well and dominated the play, which made us happy."

Nesbit shatters records, named top ACC woman

By SCOTT SMITH
Staff Writer

North Carolina all-American senior Joan Nesbit turned in outstanding performances Friday and Saturday in the ACC track and field championships at Fetzer Field, shattering conference records in two events as the Tar Heel women finished second overall in the two-day competition.

Nesbit, who was named the meet's most outstanding female performer, Friday ran the 10,000 meters in 33:00.53, one-tenth of a second better than the previous ACC record, and more than 33 seconds under the meet record. She came back on Saturday to set the pace in the 3,000 meters, clocking in at 9:24.77 — 20 seconds under the previous meet record.

"Joan's performance was just outstanding," UNC coach Don Lockerbie said. "Her time in the 10,000 was one of the best in the world... and to run two tough races like these and win both of them going away is unbelievable."

Nesbit finished almost four minutes ahead of teammate Madlyn Morreale in the 10,000, and was well under the NCAA qualifying time.

Overall, Virginia won the women's title for the second straight year, rallying from a 75-52 deficit Friday to UNC to finish at 219, to the Tar Heels' 170.5. Maryland was a distant third at 113.

Although the UNC women came up short as a team, Lockerbie said he was very pleased with the squad's outstanding effort.

"We were really thrilled with our performances," he said. "A year ago our women only scored 75 points. Today we had 170, so they showed tremendous improvement."

He said UNC gave Virginia a much tougher fight than many people thought possible. "On paper everyone was supposed to lose to Virginia. Everybody thought they would score 300 points and we held them to 219."

won the 400-meter run in a time of 55.21, placed fourth in the 400-meter hurdles and played key roles on both second-place UNC relay teams.

"Carter's long jump is reminiscent of Bob Beamon," Lockerbie said. "She had been jumping in the low 18s and to better that by more than 1 1/2 feet to win the ACC as a freshman is just fabulous."

"Houk ran four events for us and came through spectacularly for the team."

Other Tar Heel women with impressive showings were Katy Lichota, who finished first in the discus with a throw of 144-10 and second in the shot put; Shunta Robinson, who won the shot put with a throw of 44-7; Diane Thomas, who had an ACC meet record of 14.06 to win the 100-meter hurdles, while finishing third and fourth in the 100- and 200-meters, respectively; freshman Sherrie MacKinney, who was first in the javelin with a meet record throw of 150-5; Madlyn Morreale, the runner-up in the 5,000- and 10,000-meter runs; and Alisa Murray, who placed second in the 400 meters.

In the men's competition, N.C. State won its second straight team title, led by the performance of senior sprinter and hurdler Gus Young.

State finished with 161 points, edging Virginia (146) and Clemson (125) for the crown. North Carolina finished seventh with 10 points.

No one was more responsible for State overcoming a first-day Clemson lead than Young. Saturday, Young finished with victories in the 100- and 200-meter dashes and the 110-meter hurdles.

His times of 10.34 in the 100 and 20.65 in the 200 qualified him for the NCAAs and the Olympic Trials. He was named most valuable men's performer for the meet.

Although the UNC men performed without several key competitors because of injuries, Lockerbie was openly disappointed with the seventh-place finish. He said he had hoped the UNC men could finish at least fifth.

The Tar Heels' only bright spot came in the javelin, where brothers Curt and Nate Sheaffer placed third and sixth, respectively.

Lockerbie was also impressed with freshman long jumper Felecia Carter, who won her event with an ACC record leap of 19-7, and senior Kelly Houk, who

Joan Nesbit was the winner of the 3,000 and 10,000 meters
