

Pi Kaps Expand Donation

by Eric Tellefsen and
Reggie Carpenter

Burn Out #9, the annual fund-raising event held by Pi Kappa Phi, will take place on Friday afternoon, April 12th. Every year, through the sales of T-shirts and donations from fraternities and sororities, we have been able to make a donation to the North Carolina Burn Center of between \$1000 to \$2000. In the past a portion of the money raised has been used to cover the costs. This year, though, Pi Kappa Phi has acquired the sponsorship of radio station, WZZU, 94Z. They have agreed to cover the majority of the costs for the year's event. What this means is that Pi Kappa Phi will be free to give almost all of the money made from donations and T-shirt sales to the Burn Center,

which should provide an approximate contribution of \$5000. This is something that we feel the Pi Kapps, the Greek system and the student body can be proud of.

This year's event will feature the musical talents of Warner Brothers recording artist Marshall Crenshaw. In addition to this first ever national act will be the third annual Hawaiian Tropic bikini contest.

Admission is free, but we need your support to make this year's Burn Out a success. So go to Johnny T-Shirt, buy your Burn Out shirts and send your donations to the Pi Kappa Phi house so that we can help the North Carolina Burn Center, not just as a fraternity, but as a representative of the Greek system and the entire student body.

ZBT's 'Mile of Pennies'

by Charles Wilson

On March 23, Zeta Beta Tau Fraternity sponsored its 15th annual "Mile of Pennies" charity drive for the Ronald McDonald House. From 9:00 Saturday morning to 5:00 that evening, ZBT pledges layed a one-third mile of pennies, three abreast, down Franklin Street while brothers and little sisters exchanged balloons for contributions with downtown shoppers.

This year, in an effort to increase our donation to our charity, a raffle was introduced for such prizes as basketballs signed by the varsity players, a \$120 Seiko watch, and dinners for two at various Chapel Hill restaurants. Many area businesses contributed either raffle prizes or cash donations in exchange for advertising space in the "Mile of Pennies" pamphlet which was distributed on Franklin Street.

Other fraternities and sororities also contributed by either selling raffle tickets or by giving cash donations.

The final event in this year's "Mile of Pennies" was an all-campus party at the ZBT house featuring the Spongetones. The top seven raffle winners were

announced during intermission.

ZBT wishes to thank all who contributed to make this a very successful fund-raiser.

Sig Eps Charity Marathon

With our fourth annual 24 hour Sig Ep Softball Marathon, we raised \$850 for Muscular Dystrophy. Thirty-two teams competed on March 15 and 16 in this double elimination tournament.

Kappa Sigs Hunger Fund

The Kappa Sigma Fraternity has been conducting a fund raising drive to raise money for the Ethiopian Hunger Relief Fund. Some of the sororities and fraternities on campus volunteered to give up one meal at their house and to donate the cost of the meal to the Red Cross for Ehtiopian Relief. \$500 has been raised to date. Any fraternity or sorority interested in contributing to the fund should make checks payable to the Red Cross Ehtiopian Relief Fund.
