DAVE SCHMIDT and TIM BROWN: We heartily urge you to finish your editorials so the class will be "current" by Tuesday, Your impatient J-58 classmates.

To Dave and Kevin (From Wake and St.

John's) Once upon a time there were two spontane ous women who after being tripped at Rick's, hopped a flight to Miami. They arrived at the SeaHorse Campground and proceeded to swill and get stewed with two Yankee gentlemen. These four hobblers are beefaloe burgers (thanks Cyndi), relaxed in the sun (owwwch!), took walks on the beach (nice suit Kris), turned up Bruce (turned down the chick), and checked water depth at Bahia Honda bridge in case they wanted to jump. After Tahotsuing (with the duckhunting turban Manning) and a UFB night at Key West they proceeded to enjoy dolphin (ala skiba) for dinner and more swilling. Then the fun had to end and once again these spontaneity queens landed in Chapel Hill. Now, these 'monback mamas would like to thank their main squeezes for the sunsets and the first star. Those few days will always be special and we're looking forward to many

more special times. We love you! Cyndi and Kris P.S. Let's have "One More Night" RV style! Next year, Bahia Honda here we come!
