

Bermuda. Where to find the class when class is out.

Bermuda College Weeks. March 2 to April 5, 1986.

This spring, come relax on long pink beaches next to a soothing ocean. Or explore the inroads and inlets of our quaint island by moped. Appreciate a quiet... miles and miles from clutter and crowds. Or dance madly to the vibrant music of local steel and calypso bands. Leave school far, far behind you. Or come party with your friends on our complimentary cruises and enjoy lunches

at our most luxurious hotels. Come bask in the leisurely pace of our beautiful island. Or swim, sail, snorkel, play golf and tennis to exhaustion. Come celebrate in style. Or drink in our sophisticated atmosphere. It's all here, in Bermuda this spring. Call your travel agent for details.
