

In Chapel Hill This Card Will Become As Important As Your UNC I.D.

(Get One While It's Free)

It's 1 a.m. Everyone's going for pizza, but you're out of cash. Relax ... there's an NCNB 24 a few steps away right on Franklin Street.

An NCNB 24 card is like having your very own key to the bank. At SIX NCNB 24 automatic tellers in town, you can get cash, make deposits, and do almost all your regular banking, whenever YOU want, 24 hours a day.

There's even one on campus.

And right now, we're making it easier than ever to open an NCNB account and get a 24 card.

Save Two Ways.

Any student who opens a new account before August 29 will receive a free NCNB 24 card, plus \$2.00 off your first order of personalized custom-designed Tar Heel checks. They show how proud you are to be a 'Heel every time you write one.

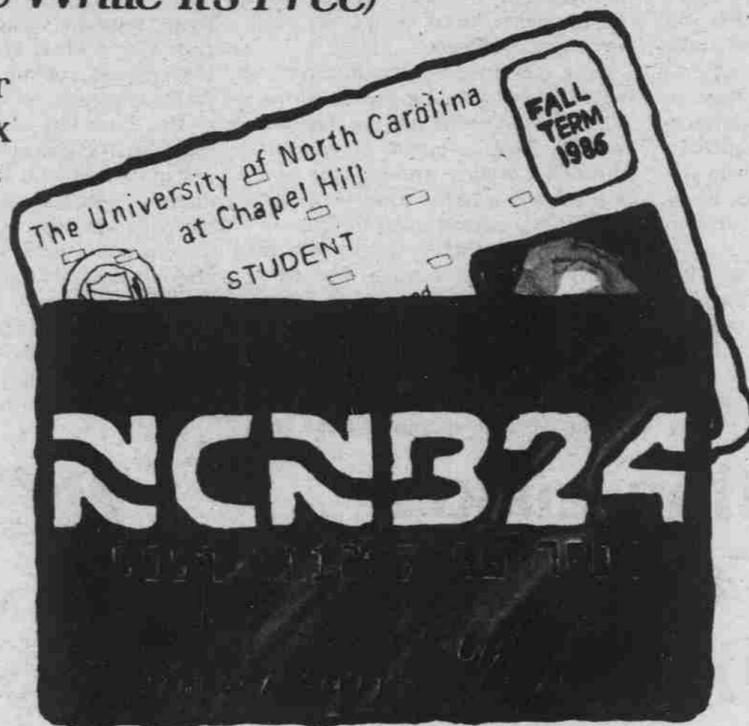

And since we know the last thing you need during orientation and registration is another line, we've streamlined our account opening system to make sure you find our service fast, efficient and organized.

OPEN YOUR ACCOUNT AUGUST 15 OR AUGUST 18

Hours: Friday, 9 a.m.-6 p.m. OR
Monday, 9 a.m.-5 p.m.

Extra Staff: 10 extra banking representatives to help you

Special Help: For new and returning students, graduate students, new faculty and staff, and other Chapel Hill newcomers.

Come in and discover that, in addition to NCNB 24, we have many other ways to make banking easier. Take your choice of checking accounts, including the account that provides almost every banking service you need at no charge or a reduced rate—Deluxe Banking. And be sure to ask about our Student Visa and MasterCard.

Banking's Easier Away From The Hill.

Because NCNB has teamed with the Plus System[®] and RelaySM networks, your NCNB 24 card will let you use 24-hour banking machines at over 5,000 locations across the nation. That will sure come in handy at away games and during spring break.

Come See Us Soon.

All six of NCNB's Chapel Hill offices are working especially hard to show you how much we want your business. So come see us. And find out how much you can expect from the bank that wants to be the best in the neighborhood.
