drymount sale—15% off!

Drymount, O.K., I mean they put your print on a foam board, for sure, any print you want. It's not big bucks and it won't wrinkle on your dorm wall. So I take Buffy in, O.K., so like she goes crazy, all those great killer prints—she takes a whole week to make up her mind. But it's no problem, ya know, 'cause like the sale is three weeks—awesome, for sure.

WANT INSTANT
RESPONSIBILITY?

The Air Force is searching for people who want the instant responsibility that comes with being a missile officer. Our missile officers command the land-based strategic missiles — a vital link in our national defense.

Air Force ROTC can help prepare you for this responsibility. We have scholarship programs which help defray the cost of college — plus a tax-free allowance each month during the school term.

If you want to experience true pride and commitment, wear the silver badge of an Air Force missileer. Talk to your Air Force ROTC campus representative today.

LEADERSHIP EXCELLENCE STARTS HERE

**BE A PART OF MANAGEMENT
YOUR FIRST DAY ON THE JOB.**

Where you go with the career you choose often depends on where you start. As a Naval officer, you're already starting halfway up the ladder right from day one.

Maybe you don't think of the Navy as a company, yet if you had a list of every kind of leadership position, you'd find a comparable occupation for a Naval officer.

Executive, managerial, professional, scientific or technical, today's Navy is big business. Sophisticated technical and management training develops experience and responsibility you'll use the rest of your life.

Naval officers earn solid starting salaries with additional allowances adding more to their income, and benefits like free medical and dental care, and thirty days' paid vacation each year.

Minimum qualifications require that you must not have reached your 29th birthday by commissioning, you must have a BA or BS degree, you must be a U.S. citizen and you must qualify for security clearance. For further information, call Navy Management Programs: (919) 856-4148. Make your first job a real move up in the world.
