

“We have no doubt that J.P. Morgan will succeed in its new emphasis on investment banking.”  
—*Investment Decisions*

“J.P. Morgan & Co. is fifth in size among money-center banks but first in quality by about any measure you can think of.”  
—*Forbes*

“Morgan is a new kind of global financial intermediary with major operations on three continents, providing selected banking services and securities underwriting, trading, and investment services in capital markets throughout the world.”  
—*Robert V. Lindsay*  
*President, J.P. Morgan & Co.*

“Morgan has focused its capital markets firepower [to] cut a swath through the corporate finance business, snatching deals out from under the noses of investment and commercial banking competitors alike.”  
—*Institutional Investor*

Come to our career presentation for BAs. Find out more about the opportunities at J.P. Morgan in corporate finance and securities sales and trading.
