PC Convertible with raised LCD screen.

**The IBM PC Convertible.**  
Carry it around campus and into the business world.

The IBM PC Convertible gives you the power of an IBM PC in a size you can take anywhere. Small and light, it offers all the functions of the IBM PC and can handle data just as quickly. That means it can help you handle schoolwork faster and more effectively than ever.

PC Convertible is extremely versatile. With optional attachments, it easily connects to other IBM PCs and IBM-compatible peripherals, or even a campus mainframe.

With that kind of power and expandability, the PC Convertible can graduate with you, right into your chosen profession.
