## Free flicks Union sets summer film schedule

The Carolina Union offers "laid-back, low-key" activities during the summer, according to Carolina Union co-president Ellen Bernard. These activities include free movies and band concerts as well as bowling, billiards, ping pong and video games in the basement of the Student Union.

Several popular comedies are listed in the Union's free movie schedule, including "Running Scared," starring Gregory Hines and Billy Crystal, "Beverly Hills Cop," starring Eddie Murphy, and director Rob Reiner's "The Sure Thing." The schedule also includes classics such as Alfred Hitchcock's suspenseful 1946 film "Notorious" and the 1949 Tracy-and-Hepburn romantic comedy "Adam's Rib."

All Carolina Union movies will be shown in the Union Auditorium at 7:00 and 9:00 p.m. Admission is by UNC I.D. and Union

Privilege Card (one guest per I.D. or card). A complete listing of movies is available at the Union desk.

The Union presented the local band Other Bright Colors on May 19 and plans to feature more free band concerts throughout the summer, Bernard said.

"I'm looking forward to a great summer. During the summer we will try to offer relaxing, low-key activities . . . and (the Union) is nice and air-conditioned," she said.

The summer programs will be student projects and will be spearheaded by student members of the Carolina Union.

The Carolina Union also offers student discounts and privileges for the summer. These include half-price bowling, billiards, and ping pong in the Carolina Underground Monday through Thursday from 3 to 5 p.m. Other

discounts include movie passes for films at Kroger Plaza Theaters and Union Privilege Cards for University employees.

The discount movie passes are available at the Union Desk during building hours for \$3.25 each. Passes must be presented at the Plaza movie theater box office for an admission ticket.

Union Privilege Cards are available to all University employees. The card provides admission to many Union-sponsored programs and reduced prices for specified admission programs. For more information, call 966-3128.

The Carolina Union building hours are Monday through Thursday 8 a.m. to 11 p.m. and Friday 8 a.m. to 5 p.m. The building is closed on Saturday and Sunday.

The Carolina Union underground hours are Monday through Thursday 10 a.m. to 10:30 p.m. and Friday 10 a.m. to 4:30 p.m.

## Professors choose books for summer reading list

After the school year is over, reading a novel or textbook for enjoyment is usually far from students' minds. Yet, for those students who love to read, the Bull's Head Bookshop has prepared its third annual Summer Reading Offer.

The bookshop asked UNC professors from different departments and schools for a sampling of some of their favorite books and included the list in a pamphlet which can be obtained at the bookshop. The bookshop offers a discount on the books.

The list is prepared because "it is important for students to know what favorite, respected teachers think are important books in their lives," Bull's Head sales manager Erica Eisdorfer said.

Because students prefer lighter reading during the summer, Peter Calingaert, computer

science professor, recommended novels of revenge and adventure, including "The Count of Monte Cristo" by Alexandre Dumas.

Calingaert also recommends two non-fictional works: "Listening to America: An Illustrated History of Words and Phrases from Our Lively and Splendid Past" by Stuart Flexner and the Henry Adams work "Mont Saint Michel and Chartres."

Calingaert said he chose "Emma" by Jane Austen in order to contrast the view of modern women with that found in the Carol Gilligan selections of other professors.

Among the professors who listed a Gilligan work are Joy Kasson, associate professor of American studies, and Jane Brown, associate professor of journalism, who both chose Gilligan's "In a Different Voice: Psychological Theory and Women's Development."
