

CASH FOR BOOKS

fast — **computerized book buy back!**

What can I sell? At each buy-back period we are able to buy only those texts the teaching staff has indicated will be used again the following semester with the limitation of the number of texts we need in our supply.

How much can I get? With this commitment we are able to offer 50% of retail price on all books that publishers classify as text and 33 1/3% of retail price on all books classified as trade.

What about books no longer used? A buyer will offer you the current wholesale price on all books that have a value. This price is determined by the law of supply and demand, and if the book has been in circulation for a long time or is not being used by many other schools, this price will probably be less. Many students feel their books are worth more to them for their personal library than the amount the bookstore buyer can offer for them. This you must decide for yourself.
