students and employees of the University during summer school.

A parking services spokeswoman said Monday that permits are readily obtainable. The permits are available at the Department of Transportation Office, located next to Morrison Residence Hall in the new Securities Building.

Applicants may choose from a variety of locations, and few problems are expected with applicants receiving the locations of their choice.

Parking will be enforced this summer with fines of up to \$25 for illegal parking. A student who receives a ticket and delays payment will not receive a grade report or a

diploma from the University until the account has been settled. Fines may be mailed to or paid at the Department of Transportation.

Residents of Cobb, Lewis and Everett residence halls can obtain permits in the A lot near these halls for \$45.

Permits for the remaining lots located at Ehringhaus (K lot), Hinton James (M lot), Craige and Morrison residence halls (L lot); the Smith Center (F lot); the lower law building area (S3 lot); and Ramshead (S5 lot) are available to any student or employee. The fees for these lots range from \$21 to \$45, depending on the location.
