

CHAPEL HILL CITY-WIDE CELEBRATION

Prices As Low As Anybody's Always The Best Quality, Variety A

HARRIS TEETER
 Harris Teeter's ground beef is ground fresh each day in our stores. Not prepackaged and delivered from a warehouse. Plus we don't limit our price per pound to a certain size package. This means you can purchase any size package and get the same low price per pound. And if a package of fresh ground beef isn't sold the day it's ground, we reduce the price for sale the next day. Quality. Freshness. Convenience. Always at Harris Teeter.
