

# TASTEFULLY DIFFERENT

Hello, Chapel Hill.  
Hello, Durham. Now you can both  
enjoy the great tasting yogurt  
our Chapel Hill customers have  
been savoring for years! Only at  
the Yogurt Pump is the yogurt  
made to accentuate each natural  
flavor. The tangy fruit flavors tingle  
your tongue while the richer honey-  
sweetened flavors just melt in your  
mouth.

And where else can you find frozen  
yogurt that is all 97-100% fat free, and only  
19-26 calories per ounce?

Once you try us you'll agree — the Yogurt  
Pump has the best frozen yogurt around!
