**How do you wrap success?**

You don't need to use a ribbon. Just tell the most important people on your gift list you're giving them a course from Stanley H. Kaplan.

Why not give a high school youngster the best possible preparation for the SAT? Or how about treating a college student to Kaplan confidence before a graduate or licensing exam? And what better present for a busy executive than a Kaplan speed reading program?

Call us. We've got lots more "smart" gift ideas!
