AN EVENING of frolics and mingling with friends, nobody suspected the way it would end. She was flirting around, never to the chance of somebody watching and waiting to dance. From dinner to roses to sliding on ice, dancing to romantic and fun tickle fights. Now the sparks are flying with kisses so sweet. Here's to Randy with love this Valentine week. KAM

HAPPY VALENTINES DAY To My Best friend!! I never sleep with an alarm clock anymore. I'll love you always and any day. Love, mutual feelings.

TO AJL. YOU ARE my best friend which makes our love for one another stronger & more meaningful than I ever thought possible. You continuously surprise me with new ways of demonstrating your love. Thank you for chicken wings, Betsy Cameron prints, Andrew the Bear, skiing, Sutter's Home, rowing on Jordan lake, cards for sick birds & all of the spontaneity & excitement you bring to my life. I love you. ADN.

NOLA (C.H.) I don't want to take the chance of never seeing you again. Whatever you want to do, I'll do. Wherever you want to go, I'll go. Will you be my Valentine?? You will!! Sweet Oh Sweet - Mars (K.R.)

I'LL MEET YOU some day, Eurydice...

HILL - YOU are the best roommate in the world. Thanks for putting up with everything. I'm always here for you! I love you Jill.

TRACY K. & Jennifer K. Thanks to you both for keeping your crazy friend sane for the past two years. I love you both! Lora.

Happy Valentine's Day Goober, or alas could it be Buffy?? From that most angelic & heavenly day that I first saw you playing tennis, I have truly lobbied you. Whether it was the Bag of Fortune (oh my!) or the mosquitos at the lake (ouch!), it has been the most, shall I say, interesting four years of my life. A motion to amend the word "interesting" to "wonderful" is entertained by the body & passes by acclamation. An Act to Kiss You Long & Extremely Passionately also passed with only one dissenting vote. I just read my candy heart & it says - "WHY NOT" - gotta love that! Always remember that you are cuter than a dalmation puppy & the bestest, most brightest, most organized, most beautiful woman on the whole big blue marble. My greatest dream is to spend a lifetime holding you on a bed with Laura Ashley home furnishings all about us, a single white rose on the bedstand, & looking through J Crew's Catalogue. LA, Loser - no, it is most certainly - loVer!! TWO.

SAN, HAPPY HEART DAY! I really, really HEART you. You are a special part of my HEART. Love, Kellth.

Swimming in the ocean with you is so fulfilling, I especially love our off-shore drilling. My phone bill is high money to pay, but what's a \$100 a month anyway. I love you, Laurie.
