

## Brogden is IM-REC's foul shooting "King"

Chris Brogden did it last year, and well, folks, this year he's done it again.

Brogden won the Halloween night IM-REC Foul Shooting Contest for the second year straight last week, hitting an unbelievable 25 shots in a row and breaking away from 15 other finalists.

"There was some good competition out there," Brogden said. "Several people made 15 or 16 in a row. We were in groups of five, and I was in the first group, so I was able to keep the pressure on them."

The key to hitting that many shots without missing a one? "Concentration," he said.

The contest's foul shooting "Queen" was Melody Terrell, who beat three other finalists to win in the women's division.

### An Ultimate Game

The Disc Crashers turned back the UFO's to win in Ultimate Frisbee by a score of 14-8 in the championship game. Ultimate Frisbee, a unique combination of football and soccer, awards teams points whenever they advance a frisbee across the goal line.

Twelve teams originally entered the single elimination tournament, said sport director Laurie Ply, but play was rained out the first week and only five teams managed to stick out the long delay.

Steve Molnar was captain of Disc Crashers, which increased a 9-8 halftime lead to win in the finals.

### What's Coming Up?

- This is the last week in the regular season for volleyball and soccer, with playoffs getting underway in both sports next Tuesday.
  - Entries for the wrestling tournament, scheduled for Nov. 14 and 15, are due tomorrow, Nov. 9, in the IM-REC office. There will be ten weight classes in the tournament, ranging from 118 up to 300 pounds.
  - IM-REC's 1990 Fall Road Race, better known as the Turkey Trot, will be held next Thursday, Nov. 15, at 4:30 p.m., starting at the Institute of Government parking lot. There are seven prize categories for the 1.92 mile race, and turkeys will indeed be given to the winners. "Students need only to show up with their ID card to participate," said Wayne Going, director of IM-REC Sports.
- The rain date for the event is the following Monday, Nov. 1.

### Rugby Club Advances

The UNC Rugby Club advanced in the national playoffs, defeating Old Dominion 18-9 at Carmichael Fields last Saturday afternoon.

Next up: a match against Loyola, Md., on Nov. 17 in Richmond, Va. East Carolina will also play James Madison that day, and the two winners will face off with a berth in the national championship on the line. The championship will be in Orlando, Fla., Dec. 1.

In the Old Dominion match, John Madsen converted three penalty kicks and one conversion, Nick Eaton converted a drop kick, and Mark Shelbourne scored a try.

### Women's Soccer Much Improved

The UNC Women's Soccer Club recently won its first two games of the fall season to improve its record to 2-0-2. On Oct. 18, UNC won at Duke by a 2-0 score to break into the win column. Goals by Laura Johnston and Marti Bullock in the first half accounted for the score, and a tenacious defense held onto the lead.

UNC then routed East Carolina 6-1 in Greenville on Oct. 21. Bullock scored two goals, and Heather Deans, J.D. Johnston, Laura Elliot and Laura Johnston scored one apiece. The club's final match of the fall semester will be at home against the Pioneers Soccer Club, Sunday at 2 p.m.

"We've made quite a turnabout from last season," said Bullock, also the club's president. "We're really young. About 80 percent of the team are freshmen, and they've done well."

Bullock certainly welcomed the freshmen to a team that finished 2-4-1 last spring. Now, UNC appears to be in the running for the fall title. The fall champion will play the spring champion in the state finals later this year.

"Defense is the key to our team," said Bullock. "Pam Gustafson is a great stopper. Also, Laura Johnston is leading us in assists. She's incredible."
