Remember Star Blazers? How 'bout Godzilla and little Godzuki? Well, Randy Basinger does, and he takes a Walk on the Wild Side to tell us about the animated mentors that shaped his young mind. Our editorial Star Chamber waxes philosophic about the good ol' days of violent, yet educational, cartoons, and Chip Sudderth takes a look at 'Akira,' an animated film from across the sea, and 'Chuck Amuck,' a look at the genesis of Bugs and pals. **PAGES 8 & 9**
