A REGULAR MOB. The Republican State Convention

Indiana Was Disorderly. FORT WAYNE, Ind., June 30.-The Republican State convention which

met at Fort Wayne, Indiana, was a regular mob. Pandemonium broke loose seyeral times in the hall. There was great

opposition to the methods of some machine politicians of Indianapolis, known as the "Slick Six," who made strenuous opposition to the renomi-nation of Governor Parson Chase. Gov. Chase was finally nominated, nowever, Harrison endorsed and a resolution of sympathy for Blaine passed. At the mention of Blaine,

an active interest in the campaign, he would prefer not to be at the head of the national committee. If Sena tor Gorman will accept the position it is believed that he will be asked to take the chairmanship to supervise the general work of the campaign and that Secretary of State Harrity, of Pennsylvania, will be made chair-man of the executive committee.
