After the exercises a telephone message was received saying that all plants in Mr. W. E. Springer's green house had been given to our school. These plants are now in our basement where we may all enjoy them.

We wish to extend our thanks to Mr. Springer for his splendid gift.

On Wednesday of last week our new flag was raised for the first time. The first recess during the school assembled around the flag pole and saw the old flag lowered and the new one raised. After the flag was in place Betsy Ross buttons were presented to the boys who are to have the care of the flag during the month of November.

The school gave a salute to the flag and sang "The Dear Old Flag."

Our Arbor Day Exercises were well attended. Besides a good many mothers, Prof. J. J. Blair, Mr. Odie B. Hinnant and D. H. Wilcox were present. The program was as follows:  
No. 1.—"Father We Thank Thee."  
No. 2.—"Scripture, Hundredth Psalm."  
No. 3.—Prayer.  
No. 4.—Song, "Arbor Day."  
No. 5.—Presentation of the flag.  
No. 6.—Song, "The Hour."

Wednesday morning during the exercises the principal asked the school why Tuesday was different from Wednesday or any other day. She was thinking of the election and so were many of the children but one little boy kept his hand up after a good many others had answered. When asked why he thought Tuesday was different he answered "because there was no parade on Tuesday."

The parade occupied much of our time this week but were glad we were all ever to see it.

**UNION SCHOOL.**  
Evelyn Harriss, Caroline Bear, Lina McEachern and May Belle Carroll.

Thursday morning the pupils of Union school were delighted to hear that their school had taken first prize at the Corn Show exhibit. The second prize was won by the Marion Mission Kindergarten, of Delgado.

The school of Columbus county won the third prize and the Hemenway won the fourth.

The eighth grades have decided that their class color will be yellow. This was decided at the meeting when the voting was done by balloting. The votes were collected and counted by the tellers. They have not decided what shade of yellow it will be but expect to determine this by next Friday.

The same class will soon elect officers and vote according to the parliamentary laws. The Union school celebrated Arbor Day Friday, November 3rd. Each grade recited a quotation about birds or flowers. Last Monday the entire school was dismissed to see the circus parade. We enjoyed it very much, and were very sorry when it was time for us to return to school.

We did not have to remain very long as Miss Cooke let us go home at 12:45 o'clock so that we could be in time for the circus performance.

It seemed that this week was a week of parades, for the Corn Show parade was held on Wednesday and we were again dismissed from class that we all and the floats were very attractively decorated.

**HEMENWAY NEWS.**  
Visitors, Corn Show, Circus, Arbor Day, et cetera, has kept Hemenway going! It is good to have things strung out during the year, but if we can't have it that way we'll take them all together or as we can get them.

Arbor Day was celebrated appropriately on Friday, Nov. 3, last, in chapel. The principal explained the meaning of the day, fourteen pupils from Mr. Brock's room representing fourteen different trees recited appropriate selections, and songs fitting into the occasion were sung by the entire school. Our tree arrived later than was expected, so we can not vouch for the life of it hereafter.

Monday was Circus day and a great day it was. The parade passed right by the Hemenway, everybody saw it, and nobody got hurt. Pretty nearly all of us took in the circus Monday.

The Corn Show created quite a deal of worth while enthusiasm in school, and much individual effort along lines of scholarship and handicraft was evidenced. We wish to state in this connection that The Hemenway was awarded fourth prize in those offered for the best school exhibit. This was the second best of the schools. The Hemenway also claims first prize for the best specimen of penmanship. This went to Nellie Costin from Miss Wiggins' room, second grade. Jessie Murphy of Miss Lathrop's third grade, won second prize for sewing.

Friday, November tenth, Dr. McClure came over and brought with him Mr. and Mrs. Streeter. These two people are working among the maimed and crippled children. Mrs. Streeter told a story which gave a very beautiful illustration of the work she and her husband were doing.

Owing to the absence of Mrs. Brock, seventh grade teacher, the honor roll from her grade was omitted when the regular honor roll was published. We are pleased to publish it below: Frederick Bissinger (leads), Jack LeGrand, Martin Pearsall, Leroy Plyler.

**COAST LINE HOTEL CAFE.**

**ISAAC BEAR SCHOOL.**

Two of our pupils took first prizes on their work at the Corn Show. Elizabeth Schaefer, for needle work and Robert Bloome on a rolling tea-tray. We feel quite proud of them. Last Friday we celebrated Arbor and Bird Day. Our exercises consisted of quotations about trees and bird songs. Later in the day we planted a pretty camphor tree on our front lawn. This makes seven trees that we have planted in our Arbor Day celebrations.

We all enjoyed seeing the circus parade Monday and the Corn Show parade on Wednesday.

The Second Grade, A, with an enrollment of 45 has had perfect attendance during three days this week. This grades has not had a tardy since school opened.

## OIL! OIL! OIL!

THE GREAT NEW STATE OF OKLAHOMA rolls in liquid wealth. Thousands made rich. Oil hits top at \$1.53 a barrel. State produced 123,000,000 barrels last year. Throughout the oil fields are wonderful examples of fame and fortune gained at the gush of oil. Dan Tucker, ten-year-old boy, gets \$190 daily, oil royalty. Sarah Rector, a colored child, receives \$15,000 monthly. Henry Page, former railroad brakeman, gets \$100,000 monthly from oil leases. Roy Johnson, a Michigan printer, cleared \$100,000 on a \$200 investment. Cole McGehee, Oklahoma carpenter, made \$83,000 on a \$175 investment. Hundreds of others, purchasers of cheap Indian lands, and heirs to Indian land allotments, have reaped huge fortunes from oil royalties.

S. Government—on easy annual payments. All in the Oklahoma Oil Belt.

This is a chance of a lifetime, as the government does not require you to live on these lands or improve them, and they can be bought direct from the U. S. Government at a few dollars per acre, on easy annual payments. Irrigation not necessary, forty-five inch rainfall. Agricultural timber and grazing lands, close to railroads and prosperous growing towns.
