ARE you discouraged because you are not getting on in the world as you should? Do you feel that something is holding you back? That you are not earning enough money? That you do not have the educational training that lifts men and women up into positions of power and influence?

Don't let your ambition die! Don't settle down in a rut of poorly paid drudgery-you don't have to. There is a way by which you can break the shackles that bind you. The International Correspondence Schools can give you, by mail, just the training you must have to help you make'a success of your life ....

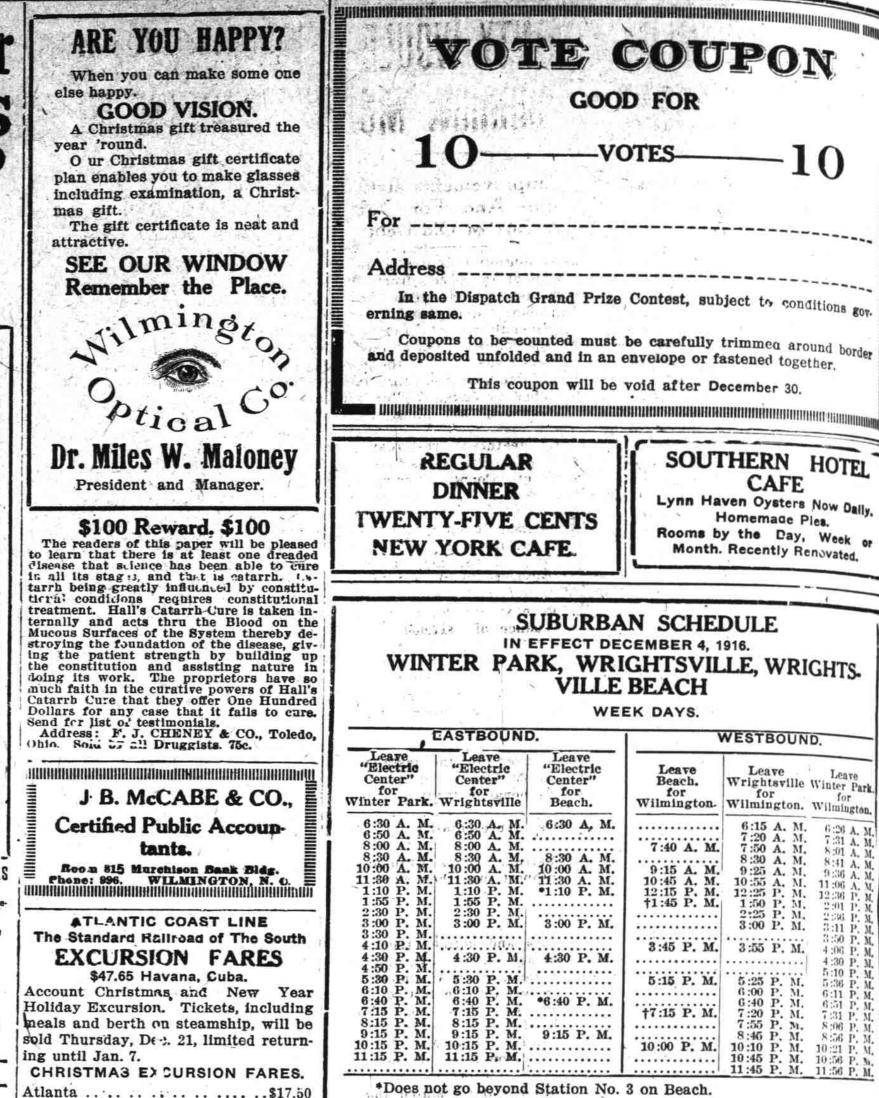

For almost 25 years the I. C. S. have been For almost 25 years the 1. C. S. have been carrying the advantages of Special Educa-tional Training right into the homes of hundreds of thousands of men and women situated like you-hands tied, but ambitious and anxious to rise. Successful I. C. S. trained men and women are doing big thinge and making money in overy civilized things and making money in every civilized country in the world.

You can do as others have done! Every-thing is made so easy you cannot fail to learn, right at home, in your spare time. I. C. S. experts guide and drill you at every step-ease every difficulty-answer your every question.

The thing to do now is to mark and mail the coupon below and find out how the I.C.S. can train you for the position you want in the work you like best. No cost to investigate-no obligation. Don't put it off now. Remember, that simple act has meant the difference between failure and lifetime success to tens of thousands. INTERNATIONAL GORRESPONDENCE SCHOOLS

manage to scrap along.

According to Bonar Law, Great Britain is footing the bills for about all the standing armies.

In passing, it may also be stated, that the Elgin board never fails to butter its fingers.

The high cost of living is going to be reduced if the people can live long enough.

Dressed turkeys are mighty fine, but there are lots of men who prefer dressed chickens.

If the Crown Prince doesn't do better, he will have to send out an S. O. S. for von Mackensen.

Evidently General Carranza doesn't know whether he wants to live or die.

General Scott speaks as lightly about millions of men as John D. and J. P. Morgan would speak of millions of dollars.

King Constantine wisely suppresses the burden invariably be shifted to the his feeling, on the theory, no doubt, shoulders of the consumers and the olina is managing to maintain its that self preservation is also the first loaf be reduced four ounces instead of splendid standard, by always dolaw of nations.

News and Observer, calls attention to loaf for 6 cents, but if they sold a 12 ers, because increased and increasing having the time of the mistletce. Sly old ounce loaf for that amount before and cost of production must make the note and debt in the said mortgage derascal is that fellow Ed Britton.

When President Wilson talks of an conforming to a standard size of 8 mas editions. We have enumerated a the Court House door in the city of Wilextra session, we don't know whether ounces, would be to reduce the price number of them, as they reached our highest he is threatening congressmen or the one-third along with the reduction in desk, and to this must now be added scribed land and premises: people.

Budding young manhood should re- the price. Therefore if a 12 ounce tide. member that it is not possible to clip loaf was being sold before for 6 cents, the wings of time and therefore the price of the 8 ounce loaf should should buckle down to work without be 4 cents, which would be easier for that a person can give a helping hand delay. the poor people, too. Either the bak- to just now.
